Playfulness, spare elegance, and wit epitomize the poetry of Billy Collins. With his distinct voice and accessible language, America's two-term Poet Laureate has opened the door to poetry for countless people for whom it might otherwise remain closed. Like the present book's title, Collins's poems are filled with mischief, humor, and irony, "Poetry speaks to all people, it is said, but here I would like to address / only those in my own time zone" – but also with quiet observation, intense wonder, and a reverence for the everyday: "The birds are in their trees, / the toast is in the toaster, / and the poets are at their windows. / They are at their windows in every section of the tangerine of earth – the Chinese poets looking up at the moon, / the American poets gazing out / at the pink and blue ribbons of sunrise." Through simple language, Collins shows that good poetry doesn't have to be obscure or incomprehensible, qualities that are perhaps the real trouble with most "serious" poetry: "By now, it should go without saying / that what the oven is to the baker / and the berry-stained blouse to the drycleaner / so the window is to the poet." In this dazzling new collection, his first in three years, Collins explores boyhood, jazz, love, the passage of time, and, of course, writing – themes familiar to Collins's fans but made new here. Gorgeous, funny, and deeply empathetic, Billy Collins's poetry is a window through which we see our lives as if for the first time.

NEW YORK TIMES BESTSELLER "America's favorite poet." —The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins's unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The Atlantic*, and he sells out reading venues all across the country. Appearing regularly in *The Best American Poetry* series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins's poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet's own words, he hopes that his poems "begin in Kansas and end in Oz." Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this "poet of plenitude, irony, and Augustan grace" (*The New Yorker*). *Envoy Go*, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you like, don't bother to call or write, and talk to as many strangers as you can. **Praise for *Aimless Love*** " [Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring." —J. J. Abrams, *The New York Times Book Review* " His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud." —*The Plain Dealer* " Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don't normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant." —*The Christian Science Monitor* " Collins's new poems contain everything you've come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life." —*The Daily Beast* " [Collins's] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life's everyday humdrum experiences and makes them vibrant." —*The Times Leader*

NEW YORK TIMES BESTSELLER • From former U.S. Poet Laureate Billy Collins comes a twelfth collection of poetry offering over fifty new poems that showcase the generosity, wit, and imaginative play that prompted *The Wall Street Journal* to call him "America's favorite poet." *The Rain in Portugal*—a title that admits he's not much of a rhymers—sheds Collins's ironic light on such subjects as travel and art, cats and dogs, loneliness and love, beauty and death. His tones range from the whimsical—"the dogs of Minneapolis . . . / have no idea they're in Minneapolis"—to the elegiac in a reaction to the death of Seamus Heaney. A student of the everyday, Collins here contemplates a weather vane, a still life painting, the calendar, and a child lost at a beach. His imaginative fabrications have Shakespeare flying comfortably in first class and Keith Richards supporting the globe on his head. By turns entertaining, engaging, and enlightening, *The Rain in Portugal* amounts to another chorus of poems from one of the most respected and familiar voices in the world of American poetry. **Praise for *The Rain in Portugal*** " Nothing in Billy Collins's twelfth book . . . is exactly what readers might expect, and that's the charm of this collection." —*The Washington Post* " This new collection shows [Collins] at his finest. . . . Certain to please his large readership and a good place for readers new to Collins to begin." —*Library Journal* " Disarmingly playful and wistfully candid." —*Booklist*

This collection features work from each of the United States' 43 poets laureate since the post was established in 1937, with introductions and historical and literary context for each and including William Carlos Williams, Elizabeth Bishop and Rita Dove.
