Guide to information on ... cars and light trucks.

This book is designed to present, in one convenient source, comments published in periodicals about 325 automobile models manufactured since 1987 on a model-by-model basis. These periodicals range from general interest to specialized sources as well as repair manuals and other publications related to the individual models.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Bentley Publishers is the exclusive factory-authorized publisher of Audi Repair Manuals in the United States and Canada. The format has been designed for professional technicians so that finding applicable specifications is quick and easy, and so that repair procedures can be grasped after a minimum of reading. All manuals are heavily illustrated with high-quality photographs and drawings, and cover aspects of maintenance and service work. Every manual is with factory specifications and tolerances.

With profiles and reviews of more than 150 new domestic and imported cars and passenger vans, this reference is every car buyer's dream--and the smart buyer's guide to the best deals on wheels. Includes exclusive discount price lists and "low prices" to help shoppers negotiate with salespeople, specifications for all body styles, engines, and EPA fuel economy ratings, rating charts that assess each car in 16 important categories, and more.
