In this thoughtful and systematic exploration, Friesen and Stoner understand the Bible to be an extended argument about life, love and power. In the various biblical texts, this argument presents two versions of the Hebrew god, one who aligns with kings and the religious establishment, the other who makes a fool of kings and aligns with everyday people. Through discussion of each biblical text, the authors highlight how this argument plays out in the history of the

Israelites, the prophetic attempts to articulate an alternative to the nation-state, the life and teachings of Jesus, and the multi-ethnic community that emerged after Jesus' death. Written in a popular style, the book serves as a concise and sometimes irreverent introduction to the entire Bible while demonstrating its immediate relevance to the problems of violence, insecurity and injustice.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children ' s center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. This Open Access book tracks the latest trends in the theory, research, and practice of entertainment-education, the field of communication that incorporates social change messaging into entertaining media. Sometimes called edutainment, social impact television, narrative persuasion, or cultural strategy, this approach to social and behavior change communication offers new opportunities including transmedia and digital formats. However, making media can be a chaotic process. The realities of working in the field and the rigid structures of scholarly evaluation often act as barriers to honest accounts of entertainment-education practice. In this collection of essays, experienced practitioners offer unique insight into how entertainment-education works and present a balanced view of its
