Paradox is present when the opposite of what one expects to be true, is true. The capacity to see paradox is the prerequisite to becoming wise. It is expressed when the weak become strong, those who lose their life find it, and the disheartened find the Lord who uses those "things that are not-to nullify the things that are (1 Corinthians 1:28 NIV)."This work demonstrates paradox in health, medicine, business, organizational leadership, cultural myths related to the family, the symptomatic solutions common in political and social structures, and in the spirituality expressed by people of faith. As the former director of an adolescent rehabilitation facility, the author has a keen awareness of the devastation caused by the failures of this generation. Clear and concise recommendations demonstrate the small changes that create enormous differences. We will discover that wisdom begins when we 'fear the Lord' and have 'knowledge of the Holy One.' The wise see paradox, but not because they look for it. Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all. Those with the God-given capacity to integrate knowledge, emotion, and faith will, in the end, find wisdom. Rick Myatt is a licensed psychotherapist with an extensive history. From building an orphanage in a war-torn country to becoming the director of an adolescent psychiatric rehabilitation facility, his experience includes crisis intervention, treating sexual addictions, and caring for children victimized by the murder of parents and child prostitution. With Masters Degrees in Marriage and Family Therapy and in Theology, he has also completed all Ph. D. coursework in Family Sociology. He currently specializes in organizing his community to detect and prevent workplace violence.

If this guy can find actual happiness, so can you—and you'll have fun along the way. A refreshing new voice—without pretense, and with a real gift for clear expression. Let's face it: we all have a motivating drive to become "better." what we have and who we are never seem to be good enough. This feeling that something is wrong or needs to be fixed causes us to continuously run around, chasing after what we feel will finally fulfill us. But what if these very conditions that we are constantly trying to escape from could be used as a way to awaken ourselves—to connect with the peace already within us? A Fool's Guide to Actual Happiness offers a realistic roadmap for working toward inner peace without needing to be

A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of Buffettology and The New Buffettology. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In The Tao of Warren Buffett, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." The Tao of Warren Buffett inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

The Tao Te Ching is an ancient spiritual text from China. It is one of the most wonderful books ever (as proven by special science methods, honest) for helping us human beings to understand life, the universe, and everything. It can help us pierce the mystery, discover the hidden, and do no less than eff the ineffable. Through poetry and metaphor the Tao Te Ching nudges our consciousness towards greater understanding of the nature of life in all its wonderful mystery and subtle challenge. In this new version, Francis Briers (Interfaith Minister, black belt martial artist, and accidental mystic) has taken the Tao's timeless wisdom and set it in modern language to make it easier to digest for a new generation of meaning seekers and spiritual explorers. PRE-PUBLICATION REVIEWS: "Francis Briers has done a brilliant job of casting the Tao Te Ching into a modern and popular form. His rendition flows with a humour and innocence that truly reflect the essence of the Taoist tradition. Whether you are approaching philosophy and personal development for the first time, or are an

experienced explorer, My Tao Te Ching will make you smile with its wry insights and encourage you to be at ease with the wondrous miracle and paradox of your life." - William Bloom, PhD, and author 'The Power of Modern Spirituality: How to Live a Life of Compassion and Personal Fulfilment' "Each chapter is a meditation helping us not to be so grasping, to empty ourselves so that love and compassion can flow through us, without interference. The style of writing is like love poetry and reminds me of the poetry of the many mystical traditions - Such a gift. " - Dr. Josie Gregory, PhD, and Director of The Centre for Spiritual Development and Facilitation "I'm happy to have introduced Francis to the 'Tao Te Ching' as his Kung Fu Instructor many years ago and watched his progress over the years. To take on this 'bible' of Taoism could be an onerous task but Francis has the insight, wisdom and humour to make it work. It's an excellent and accurate translation with the wit and humour to keep any normal person engaged and able to understand the original meaning of the text with those deep 'glimpses' that can only come from true understanding." - Steve Rowe, 8th Dan Karate, International Tai Chi Teacher, Chairman of the Martial Arts Standards Agency and Shi Kon Martial Arts International "A beautiful book which touches on the wonderful, mysterious and sometimes ridiculous nature of life, the universe, and everything. Wonderful, creative and enjoyable!" - Sue Cheshire, CEO & Founder, Global Leaders Academy "In this version of the Tao Te Ching, Francis Briers has brought to us a unique, playful, humorous, contemporary, and relevant edition of this well of delights. I find it a helpful, practical, and, at points, very funny read. Making a traditional text live in the modern world like this provides a valuable resource to us busy bees." - Luke Concannon, No.1 hit musician and activist To read some of the chapters, go here: <http://www.fudoshin.org.uk/blog/category/my-tao-te-ching>
