Covering concepts from grammar through essay writing, THE WRITER'S WORKPLACE: BUILDING COLLEGE WRITING SKILLS is the most comprehensive and engaging text available for the beginning writing student. Based on many years of classroom teaching and research, this approachable text reflects the authors' goal of building and sustaining students' confidence in their writing by breaking down difficult writing concepts into easy-to-read, step-by-step explanations. Mastery Tests at the end of each grammar and mechanics chapter reinforce new concepts, and Working Together activities provide instructors with easy-to-incorporate lessons designed for group work and lively class discussions. Writing examples and exercises include new high interest topics such as career-related writing, college sports and money, and the challenges facing veterans. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Covering concepts from grammar through essay writing, THE WRITER'S WORKPLACE WITH READINGS: BUILDING COLLEGE WRITING SKILLS is the most comprehensive and engaging text available for the beginning writing student. Based on many years of classroom teaching and research, this approachable text reflects the authors' goal of building and sustaining students' confidence in their writing by breaking down difficult writing concepts into easy-to-read, step-by-step explanations. Mastery Tests at the end of each grammar and mechanics chapter reinforce new concepts, and Working Together activities provide instructors with easy-to-incorporate lessons designed for group work and lively class discussions. Writing examples and exercises include new high interest topics such as career-related writing, college sports and money, and the challenges facing veterans. The ninth edition also includes comprehensive strategies for active reading, seven new readings, and updated MLA citation instruction. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Using her unique M-A-P approach (Model-Analysis-Practice), Susan Fawcett's books have guided hundreds of thousands of students through the writing process, from foundations of grammar, mechanics, and spelling through writing clear sentences and well-organized paragraphs. Her inductive approach; plentiful, high-interest student models and practices; and contemporary readings engage and motivate students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

FUSION: INTEGRATED READING AND WRITING, Book 2 is a developmental English book for reading and writing at the essay level. It connects the reading and writing processes so that they are fully reciprocal and reinforcing, using parallel strategies that guide students in analyzing reading to generate writing. FUSION teaches critical reading strategies in conjunction with the shared writing traits, such as main idea, details, and organization, and teaches the types of writing (including research) that students will encounter in their future courses. Grammar instruction is integrated in authentic writing, using high-interest professional and student models. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PARAGRAPHS AND ESSAYS WITH INTEGRATED READINGS is the higher-level companion to SENTENCES, PARAGRAPHS, AND BEYOND in the two-book Brandon series. Instruction in this text -- comprehensive, flexible, and relevant -- is predicated on the idea that reading and writing are linked and that good writing is the product of revision and rigorous editing. The hallmarks of the Brandons' books are tell-show-engage instruction, ample demonstrations of good professional and student writing, and an abundance of reading-based, high-interest general, cross-curricular, and career-related topics and prompts. The reading-based writing presented in this book provides experience in critical thinking that enables students to write competently across the disciplines and transition smoothly to the next level of the English program. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Put the world today into context by learning about the past through this brief, best-selling Western Civilization text that has helped thousands of students succeed in the course. Jack Spielvogel's engaging style of writing weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story that is as memorable as it is instructive. You will also be exposed to primary source documents--actual historical documents that are the foundation for the historical analysis you read in the chapter. These documents include letters, poems, and songs through history--documents that enliven the past. Throughout the book there are also helpful tools to help you digest the reading, including outlines, focus questions, chronologies, numerous maps, and boldface key terms with definitions. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

How are leaders successfully managing competitive companies in the 21st Century? Gulati/Mayo/Nohria's MANAGEMENT, 1E, by award-winning instructors and prominent Harvard business experts, addresses the many integrated facets in answering this key question to help you effectively prepare for successful leadership now and in the future. As a manager, you will be confronted with challenges and opportunities that are more dynamic and complex than ever before. As a leader in any business role, you need to understand how to harness technological advances, manage and lead a dispersed and diverse workforce, anticipate and react to constant competitive and geopolitical change and uncertainty, compete on a global scale, and operate in a socially responsible and accountable manner. Gulati/Mayo/Nohria's MANAGEMENT, 1E demonstrates the mutual interconnectivity between three key facets of management: strategic positioning, organizational design, and individual leadership. The book presents management from a tangible, integrated, and current perspective, teaching you to visualize how strategy informs leadership and how leaders influence strategic positioning and, ultimately, manage performance. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ESSENTIALS OF BUSINESS COMMUNICATION, 9TH EDITION presents a streamlined approach to business communication that includes unparalleled resources and author support for instructors and students. ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Unsurpassed for its clarity and comprehensiveness, A CONCISE INTRODUCTION TO LOGIC is the #1 introductory logic textbook on the market. In this 13th Edition, Patrick Hurley and new co-author Lori Watson continue to build upon the tradition of a lucid, focused, and accessible presentation of the basic subject matter of both informal and formal logic. How Logical Are You? features connect a section's content to real-life scenarios pertinent to students' lives, using everyday examples to translate new notions and terms into concepts to which readers unfamiliar with the subject matter can relate. Living Logic, a new digital activity, allows students to apply the skills they learn to a real-world problem. The text's extensive, carefully sequenced exercises guide students toward greater proficiency with the skills they are learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Drawing on the lives of some of the greatest political, intellectual and religious leaders of modern times, and the author's personal experience, Virtuous Leadership demonstrates that leadership and virtue are not only compatible, they are actually synonymous. Virtuous Leadership defines each of the classical human virtues most essential to leadership -- magnanimity, humility, prudence, courage, self-control and justice. It demonstrates how these virtues promote personal transformation and the attainment of self-fulfillment. It also considers the Christian supernatural virtues of faith, hope and charity without which no study of leadership can be complete. The book's final section, Towards Victory, offers a methodology for the achievement of interior growth tailored to the needs of busy, professional people intent on imbuing their lives with a transcendent purpose. Thus, the aim of Virtuous Leadership is ultimately practical. It is meant to be your guidebook in the quest for excellence.
