Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

With French being the most studied language in the UK Modern-French Grammar Workbook provides a companion to Modern French Grammar, whilst also stands independently.

A workbook and textbook, intended for intermediate, advanced and adult learners of French, has been written by an instructor with many years experience in direct response to the difficulties experienced by students. It teaches grammar by means of comparisons between French and the structures of spoken English.
