The I ' m Lovin ' Lit Practice & Assess: Vocabulary book for grades 4 – 8 is the perfect addition to any language arts or word study curriculum and covers both the Greek and Latin roots of English words and prefixes and suffixes. Students will practice and master important language skills with a variety of activities. With this book, teachers can actively gauge their students' understanding with post-lesson assessments while also being confident that each student has mastered essential vocabulary skills. The I ' m Lovin ' Lit series features comprehensive lessons and activities that are created to reach a variety of learning styles. Targeted for upper elementary and middle-school students, this series offers teachers an essential tool to help them teach engaging subject matter with confidence. Designed to work with an existing curriculum, I ' m Lovin ' Lit includes comprehensive lessons and activities.

Building Vocabulary from Word Roots helps students unlock the meaning of over 60% of the words they encounter in the classroom and beyond with a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Students are introduced to one new root per lesson and this full-color Student Guided Practice Book is filled with daily activities to ensure that they learn the root and the many English words it generates.

Building Vocabulary from Word Roots provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 10 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may

This resource is designed to be robust and relevant to the real world, helping students prepare themselves for life beyond school. Students will gain regular practice through these quick activities. Perfect for additional practice in the classroom or at h

"This program helps students unlock the meaning of over 60% of the words they encounter in the classroom and beyond with a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Students are introduced to one new root per lesson with daily activities to ensure that they learn the root and the many English words it generates. The teacher's guide includes lesson plans with detailed notes about words from each root, overhead transparencies for introductory activities, standards-based connections, and differentiation strategies." --Publisher website.
