fundamental question: "What is the meaning of my life?" Based on their interpretations of 'The Book of Zohar', and 'The Tree of Life', we can now learn how to benefit from the wisdom of Kabbalah on a day-to-day basis. In addition to authentic texts by these great Kabbalists, this book offers illustrations that accurately depict the evolution of the Upper Worlds as Kabbalists experience them, as well as several helpful essays to enhance our understanding of the texts. Rav Michael Laitman, Ph.D., Rav Baruch Ashlag's personal assistant and prime student, compiled all the texts a Kabbalah student would need to attain the spiritual worlds. In his daily lessons, Rav Laitman bases his teaching on these inspiring texts, thus helping novices and veterans alike to better understand the spiritual path we undertake on our fascinating journey to the Higher Realms. If you truly seek the meaning of life, your heart will lead you through the writings of these great Kabbalists, who wrote them from their hearts to yours. Through their words, you will discover life's essence and power, and your own eternal existence.

Between 1815 and 1890, the German book market experienced phenomenal growth, driven by German publishers' dynamic entrepreneurial attitude towards developing and distributing books. Embracing aggressive marketing on a large scale, they developed a growing sense of what their markets wanted. This study, based almost entirely upon primary sources including over seventy years of trade newspapers, is an in depth account of how and why this market developed—decades before there was any written theory about marketing. This book is therefore about both marketing practice and marketing theory.

It provides a uniquely well-researched account of how markets were developed in very sophisticated ways long before there was a formal discipline of marketing: for example, German publishers used segmentation at least 150 years before the first US articles on the subject appeared. Much of their experience was also shared by the UK and US book markets through international interactions between booksellers and other businessmen. All scholars of marketing will find this historical account a fascinating insight into markets and marketing, This will also be of interest to social historians, scholars of German history, book trade and book trade historians.
