In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. The Teacher's Pack consists of a Teacher's Book with DVD-ROM. As well as clear teaching notes, the Teacher's Book offers lots of extra ideas and activities to suit different classroom situations and teaching styles. The DVD-

ROM provides a range of extra printable activities, a comprehensive testing and assessment program and clear mapping of the syllabus against the CEF 'can do' statements. It also includes the videos from the Self-study Pack DVD-ROM for classroom use.

. Learn to Develop a Powerful Mindset for Complete Success and Fulfilment This 4 Book Bundle Contains Book 1: Millionaire Mindset Strategies Book 2: Best Wealth Magnet Activities Book 3: Ideal Steps to Business Success Book 4: Super Wealthy Mindset Habits Become unstoppable in the face of challenges and obstacles One of the most important features of our lives is our ability to live up to our full potential and this collection of wealth-oriented books have been designed specifically to identify the essential ingredients that can be used to create success. Based on a series of interviews and mentorships with groups of exceptionally successful individuals, the principles discussed within the four books reveal the fact that sustained success is not an accident. It's a product of consistently doing the right things. But what constitutes 'the right things'? And how important is the role of attitude in the creation of success? The good news is that the attitudes, actions and behaviours of highly successful and fulfilled individuals can be learned and that means that all of us can benefit from the models and examples that others have set. This saves us an enormous amount of time and wasted effort and can catapult us into the upper levels of personal success and fulfilment. The books have been designed as an exploration of the underlying attitudes that will serve either to support or hinder our ambitions. Their purpose is to encourage us to dream and set goals that are truly worthy of our deeper potential. The first volume examines the attitudes and behaviours of super-successful individuals and reveals the principles that these people adopted to promote their efforts to live the lives of their dreams. It's an intoxicating message of hope, inspiration and practical principles for raising the quality of our lives to new levels of expression. The second volume explores the principles of developing a very positive attitude towards wealth and its resistance-free acquisition. The third volume focuses on the principles of creating success in business and the fourth book examines the essential attributes of the successful mind set. Amongst a treasure trove of powerful advice, insights, tips and principles, you can learn how to Identify the beliefs that previously held you back and banish all negative and restrictive attitudes and behaviours Set goals that will draw on your latent creativity and inspire you to grow Discover and channel the power of your unconscious and make firm friends with the concept of wealth and abundance Take control of your business and tune it towards new levels of success and profitability Create your own mental framework for positive expectations and design your own affirmations for driving you ever closer towards your dreams and goals Become comfortable with the concept of personal success and fulfilment This collection of the essential principles for success has been produced to share the message that our fate is very much in our own hands and that each of us has the potential to make our lives better than they are today. This profound message of hope is a wake-up call to seize the day and experience the power of your own potential. It's a message of power and practical wisdom, a set of guides for making the most of this precious gift we call life.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEFR goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. The 'Explore' sections provide the extra ingredients for enhancing communicative ability, from further development of speaking skills to independent learning strategies. The English Unlimited Upper Intermediate A Combo with DVD-ROM includes Coursebook Units 1 to 7 as well as the e-Portfolio and Self-Study DVD-ROM.

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Intermediate level books include input from leading institutions and organisations, such as: the Cambridge Judge Business School, IKEA, Emirates NBD, Isuzu and Unilever. The Teacher's Book comes with photocopiable activities, progress tests, and worksheets for the DVD which accompanies the Student's Book.
