Global Financial Development Report 2015/2016 focuses on the ability of financial systems to sustainably extend the maturity of financial contracts for private agents. The challenges of extending the maturity structure of finance are often considered to be at the core of effective, sustainable financial development. Sustainably extending long-term finance may contribute to the objectives of higher growth and welfare, shared prosperity and stability in two ways: by reducing rollover risks for borrowers, thereby lengthening the horizon of investments; and by increasing the availability of long-term financial instruments, thereby allowing households to address their lifecycle challenges. The aim of the report is to contribute to the global policy debate on long-term finance. It builds upon findings from recent and ongoing research, lessons from operational work, as well as on inputs from financial sector professionals and researchers both within and outside the World Bank Group. Benefitting from new worldwide datasets and information on financial development, it will provide a broad and balanced review of the evidence and distill pragmatic lessons on long-term finance and related policies. This report, the third in the Global Financial Development Report series, follows the second issue on Financial Inclusion and the inaugural issue, Rethinking the Role of the State in Finance. The Global Financial Development Report 2015/2016 will be accompanied by a website [worldbank.org/financialdevelopment](http://worldbank.org/financialdevelopment) containing extensive datasets, research papers, and other background materials as well as interactive features.

The second issue in a new series, Global Financial Development Report 2014 takes a step back and re-examines financial inclusion from the perspective of new global datasets and new evidence. It builds on a critical mass of new research and operational work produced by World Bank Group staff as well as outside researchers and contributors.

This book offers 58 cases that combine both the qualitative and quantitative aspects of financial management. The cases are based on real firms, real products, real individuals, and most importantly, real issues and offer a complete picture of the financial management process.

Do you ever question God’s ability to catch you when you fall? Do shame, fear, and brokenness keep you from fully trusting God? Do you secretly believe your dreams are unreachable? Do you secretly believe your dreams are unreachable? You are not alone. This is a book about trust. How we fight it. How we learn to do it. How it transforms us. Life is not safe. That reality slips over us as we grow. Our response to the Father in that reality allows us either to swing higher and higher with the trust of a child . . . or fearfully shrink back from the swing set altogether. As we weigh that choice, God whispers: Trust me. In a remarkably transparent account, author and speaker Sheila Walsh opens wide her lifelong battle with trust and the moment-by-moment choices she made to follow where God led. Sheila has lived a life ruled by the “hidden places” of insecurity and brokenness and knows the overwhelming beauty of a life wholly handed over to Christ. As you encounter her struggles and triumphs, you also meet ten of the Bible’s transformed—Tabitha, David, Paul, and others—who teach us that in spite of overwhelming circumstances, just one trusting encounter with Christ sets beautiful things in motion. It can resurrect dreams, instill purpose, and ignite hope.

“My friend – and now partner – Jorge Paulo and his team are among the best businessmen in the world. He is a fantastic person and his story should be an inspiration to everybody, as it is for me.” – Warren Buffett In just over forty years, Jorge Paulo Lemann, Marcel Telles and Beto Sicupira built the biggest empire in the history of Brazilian capitalism and launched themselves onto the world stage in an unprecedented way. Over the past five years, they have acquired no fewer than three globally-recognized American brands: Budweiser, Burger King and Heinz. This has been achieved as discreetly as possible and they have shunned any personal publicity. The management method they developed, which has been zealously followed by their employees, is based on meritocracy, simplicity and constant cost cutting. Their culture is as efficient as it is merciless and leaves no room for mediocre performances. On the other hand, those who bring in exceptional results have the chance to become company partners and make a fortune. Dream Big presents a detailed behind-the-scenes portrait of the meteoric rise of these three businessmen, from the founding of Banco Garantia in the 1970s to the present day. In 1971, when the Brazilian stock market was going through an euphoria, Harvard graduate, tennis champion and underwater fishing enthusiast from Rio de Janeiro Jorge Paulo Lemann decided to start a new business. He assembled some partners and put out a newspaper ad: “Brokerage wanted.” Days later, Lemann began running what would become the cornerstone of his fortune and those of over 200 other people. Its name was Garantia. The “Garantia model” was based on businesses that impressed Lemann, such as Goldman Sachs in finance and Walmart in retail. Its philosophy gave the best workers the opportunity to become shareholders.

NEW YORK TIMES BESTSELLER. WINNER OF THE CHRISTOPHER AWARD. The Jesuit Guide to (Almost) Everything by the Revered James Martin, SJ (bestselling author of Jesus: A Pilgrimage) is a practical spiritual guidebook that shows you how to manage relationships, money, work, prayer, and decision-making, all while keeping a sense of humor. Inspired by the life and teachings of St. Ignatius of Loyola, the founder of the Society of Jesus, this book will help you realize the Ignatian goal of “finding God in all things.” Filled with relatable examples, humorous stories, and anecdotes from the heroic and inspiring lives of Jesuit saints and average priests and brothers, The Jesuit Guide to Almost Everything will enrich your everyday life with spiritual guidance and history. Inspired by the life and teachings of St. Ignatius of Loyola, the founder of the Society of Jesus and centered around the Ignatian goal of “finding God in all things,” The Jesuit Guide to Almost Everything is filled with user-friendly examples, humorous stories, and anecdotes from the heroic and inspiring lives of Jesuit saints and average priests and brothers, The Jesuit Guide to Almost Everything is sure to appeal to fans of Kathleen Norris, Richard Rohr, Anne Lamott, and other Christian Spiritual writers.
