Circle of Greed is the epic story of the rise and fall of Bill Lerach, once the leading class action lawyer in America and now a convicted felon. For more than two decades, Lerach threatened, shook down and sued top Fortune 500 companies, including Disney, Apple, Time Warner, and most famously, Enron.

The epic story of the rise and fall of William S. Lerach, once the leading class action lawyer in America and now a convicted felon. For more than two decades, Lerach threatened, shook down and sued top Fortune 500 companies, including Disney, Apple, Time Warner, and--most famously--Enron. To the people he championed, he was the plaintiffs' Robin Hood, a one-man posse fighting corporate villains. Then the man who brought corporate

moguls to their knees fell prey to the same corrupt impulses and paid the price by disgrace, disbarment, and time in federal prison. If ever there was a modern Greek tragedy about a man and his times, about corporate arrogance and illusions and the scorched-earth tactics to not only counteract corporate America but to beat it at its own game, it is Bill Lerach's story.--From publisher description.

Recounts the worst commercial fishing disaster in American history, in which fourteen men drowned in 1983 in the Bering Sea, tracing the investigation into the disaster and its far-reaching consequences.

NEW YORK TIMES BESTSELLER • The knockdown, drag-out, untold story of the other scandal that rocked Nixon ’ s White House, and reset the rules for crooked presidents to come—with new reporting that expands on Rachel Maddow ’ s Peabody Award-nominated podcast “ Rachel Maddow and Michael Yarvitz expand on their riveting podcast to create a work both scholarly and disturbing in its parallels to current events. ” —Preet Bharara, New York Times bestselling author of *Doing Justice* and host of the podcast *Stay Tuned with Preet* Is it possible for a sitting vice president to direct a vast criminal enterprise within the halls of the White House? To have one of the most brazen corruption scandals in American history play out while nobody ’ s paying attention? And for that scandal to be all but forgotten decades later? The year was 1973, and Spiro T. Agnew, the former governor of Maryland, was Richard Nixon ’ s second-in-command. Long on firebrand rhetoric and short on political experience, Agnew had carried out a bribery and extortion ring in office for years, when—at the height of

Watergate—three young federal prosecutors discovered his crimes and launched a mission to take him down before it was too late, before Nixon ’ s impending downfall elevated Agnew to the presidency. The self-described “ counterpuncher ” vice president did everything he could to bury their investigation: dismissing it as a “ witch hunt, ” riling up his partisan base, making the press the enemy, and, with a crumbling circle of loyalists, scheming to obstruct justice in order to survive. In this blockbuster account, Rachel Maddow and Michael Yarvitz detail the investigation that exposed Agnew ’ s crimes, the attempts at a cover-up—which involved future president George H. W. Bush—and the backroom bargain that forced Agnew ’ s resignation but also spared him years in federal prison. Based on the award-winning hit podcast, Bag Man expands and deepens the story of Spiro Agnew ’ s scandal and its lasting influence on our politics, our media, and our understanding of what it takes to confront a criminal in the White House.

“ Over the past four decades no reporter has critiqued the American South with such evocative sensitivity and bedrock honesty as Curtis Wilkie. ” —Douglas Brinkley The Fall of the House of Zeus tells the story of Dickie Scruggs, arguably the most successful plaintiff's lawyer in America. A brother-in-law of Trent Lott, the former U.S. Senate Majority Leader, Scruggs made a fortune taking on mass tort lawsuits against “ Big Tobacco ” and the asbestos industries. He was hailed by Newsweek as a latter day Robin Hood, and portrayed in the movie, The Insider, as a dapper aviator-lawyer. Scruggs' legal triumphs rewarded him lavishly, and his success emboldened both his career maneuvering and his influence in Southern politics--but at a terrible cost, culminating in his spectacular fall, when he was

Download File PDF Circle Of Greed The Spectacular Rise And Fall Of The Lawyer Who Brought Corporate America To Its Knees

convicted for conspiring to bribe a Mississippi state judge. Here Mississippi is emblematic of the modern South, with its influx of new money and its rising professional class, including lawyers such as Scruggs, whose interests became inextricably entwined with state and national politics. Based on extensive interviews, transcripts, and FBI recordings never made public, *The Fall of the House of Zeus* exposes the dark side of Southern and Washington legal games and power politics: the swirl of fixed cases, blocked investigations, judicial tampering, and a zealous prosecution that would eventually ensnare not only Scruggs but his own son, Zach, in the midst of their struggle with insurance companies over Hurricane Katrina damages. In gripping detail, Curtis Wilkie crafts an authentic legal thriller propelled by a “welter of betrayals and personal hatreds,” providing large supporting parts for Trent Lott and Jim Biden, brother of then-Senator Joe, and cameos by John McCain, Al Gore, and other DC insiders and influence peddlers. Above all, we get to see how and why the mighty fail and fall, a story as gripping and timeless as a Greek tragedy. From the Hardcover edition.

A #1 bestseller from coast to coast, *Den of Thieves* tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize–winner James B. Stewart shows for the first time how four of the eighties’ biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine—created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America’s most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and

containing explosive new revelations about Michael Milken and Ivan Boesky written especially for this paperback edition, *Den of Thieves* weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

Single volume treatise on Litigating Securities Class Actions edited by Jonathan N. Eisenberg who is General Counsel for UBS Wealth Management Americas. Comprising 12 chapters each separately written by a different firm in an area they are renowned for. Many of the contributing authors have participated in the famous securities class actions of the last decade.

Written by leading scholars and judges in the field, the *Research Handbook on Representative Shareholder Litigation* is a modern-day survey of the state of shareholder litigation. Its chapters cover securities class actions, merger litigation, derivative suits, and appraisal litigation, as well as other forms of shareholder litigation. Through in-depth analysis of these different forms of litigation, the book explores the agency costs inherent in representative litigation, the challenges of multijurisdictional litigation and disclosure-only settlements, and the rise of institutional investors. It explores how related issues are addressed across the globe, with examinations of shareholder litigation in the United States, Canada, the United Kingdom, the European Union, Israel, and China. This *Research Handbook* will be an invaluable resource on this important topic for scholars, practitioners, judges and legislators.

Categorizing hundreds of popular biographies according to their primary appeal—character, story, setting, language, and mood—and organizing them into thematic lists, this guide will help readers' advisors more effectively recommend titles. • A chronology of the history of the biography genre • Brief reviews of over 450 high interest biographies

The adventurer, financier and philanthropist offers an insider ' s look at risk management in this personal guide to risk-taking in life and business. As the founder of Caribbean Capital & Consultancy and a former general partner of Bear Sterns, Michael E. Tennenbaum knows a thing or two about taking risks and winning big. In this unique and insightful volume, he shares his views on risk through stories of high-stakes deals and creative financial innovations, as well as anecdotes about riding in a nuclear submarine and literally swimming with sharks. Tennenbaum also shares strategies for using risk to seize opportunities, manage mistakes, and give back to one ' s community. His personal tales take readers inside Bear Sterns, the Smithsonian Institution, Harvard Business School, and the Joffrey Ballet, among other firms and cultural institutions. Through it all, Tennenbaum demonstrates how to reach greater heights of performance, achievement, and contentment through embracing risk.

For the first time, *Appetite for Self-Destruction* recounts the epic story of the precipitous rise and fall of the recording industry over the past three decades, when the incredible success of the CD turned the music business into one of the most glamorous, high-profile industries in the world -- and the advent of file sharing brought it to its knees. In a comprehensive, fast-

Download File PDF Circle Of Greed The Spectacular Rise And Fall Of The Lawyer Who Brought Corporate America To Its Knees

paced account full of larger-than-life personalities, Rolling Stone contributing editor Steve Knopper shows that, after the incredible wealth and excess of the '80s and '90s, Sony, Warner, and the other big players brought about their own downfall through years of denial and bad decisions in the face of dramatic advances in technology. Big Music has been asleep at the wheel ever since Napster revolutionized the way music was distributed in the 1990s. Now, because powerful people like Doug Morris and Tommy Mottola failed to recognize the incredible potential of file-sharing technology, the labels are in danger of becoming completely obsolete. Knopper, who has been writing about the industry for more than ten years, has unparalleled access to those intimately involved in the music world's highs and lows. Based on interviews with more than two hundred music industry sources -- from Warner Music chairman Edgar Bronfman Jr. to renegade Napster creator Shawn Fanning -- Knopper is the first to offer such a detailed and sweeping contemporary history of the industry's wild ride through the past three decades. From the birth of the compact disc, through the explosion of CD sales in the '80s and '90s, the emergence of Napster, and the secret talks that led to iTunes, to the current collapse of the industry as CD sales plummet, Knopper takes us inside the boardrooms, recording studios, private estates, garage computer labs, company jets, corporate infighting, and secret deals of the big names and behind-the-scenes players who made it all happen. With unforgettable portraits of the music world's mighty and formerly mighty; detailed accounts of both brilliant and stupid ideas brought to fruition or left on the cutting-room floor; the dish on backroom schemes, negotiations, and brawls; and several previously unreported stories, *Appetite for Self-Destruction* is a riveting, informative, and highly entertaining read. It offers a broad

Download File PDF Circle Of Greed The Spectacular Rise And Fall Of The Lawyer Who Brought Corporate America To Its Knees

perspective on the current state of Big Music, how it got into these dire straits, and where it's going from here -- and a cautionary tale for the digital age.
