Most critical analysis papers begin with a short summary of the work and then dive in to the argument. Since most of these paper assignments are short, it is important to be concise in all parts of your analysis. Writing an outline (and following it) is crucial to remain focused on your argument and avoid summary or irrelevant description.

Emphasizing that thinking well and writing well are invariably connected, CRITICAL THINKING, THOUGHTFUL WRITING, 6e delivers thorough coverage of the writing process, going beyond the traditional rhetoric to teach you how to evaluate sources, images, and arguments. This rhetoric with readings introduces the process of thinking critically as a powerful approach to writing, to critically evaluating electronic and visual media, and to life in general. Each chapter focuses on a critical-thinking skill--such as problem solving or analysis of complex issues--that is explored through Thinking-Writing Activities and thematically linked readings. Each of the readings challenges you to read actively, think critically, and then write about the readings. The Sixth Edition offers provocative new readings, a four-color interior design, expanded writing projects that help you fully interact with the writing process, annotations to student essays, and more in-chapter questions to help you reflect on the material.
