The Complete Guide To Long Distance Sailing Catamaran ...

Because catamarans typically draw 4 ft or so, the range of potential anchorages, available to us while cruising, substantially increases wherever we go. Interestingly, during hurricane Irma in S Florida, we were able to moor Snowcat II in a 5 ft deep canal far away from the fray, and suffered no damage.

Catamarans are the Best for Cruising | life in the boat

Otherwise, these boats make great offshore cruising catamarans, with plenty of room and a good sail-area-to-displacement (SA/D) ratio. They were also refined several times during their production run. Most, for example, came with stub keels, but I have seen some versions with daggerboards.

A sailing catamaran is a multihull vessel that is characterized by having two separate hulls, which are generally similar or identical in size. Because of their dual-hull design, they offer more space and will lay on the water like a raft, for less heeling when enjoying sailing on the open waters. These boats were originally crafted in the South Pacific as a way to navigate the shallow waters with increased stability, for transporting passengers and goods between various islands.

That is a practical example of the mantra of the cruising catamaran sailor. And while a cruising cat may have water tankage for a couple hundred gallons of water, a water maker is often installed. Sailing cats come with two engines set far apart, using either straight drives or sail drives.

Sailing Catamarans | Seattle Yachts

There's no room for discussion: Catamarans are crossing oceans, and many sailors are choosing cats for world cruising. My last visits to the Azores and Canary Islands, the classic Atlantic waypoints, proved the point. I'm not much of a statistician, but by my count, at least a quarter and maybe a third of the boats I saw were catamarans.

Sailing Made Easy is the first step in a voyage that will last you the rest of your life. It is a gift from a group of dedicated sailing professionals who have committed their lives to sharing their art, their skill, and their passion for this wonderful activity. This book, which Sailing Magazine called "best in class" upon its release in 2010, is the most comprehensive education and boating safety learn-to-sail guide to date. It is also the official textbook for the ASA Basic Keelboat Standard (ASA 101). Incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts. The text's most distinguishing feature is its user friendly "spreads" in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.

Learn how to handle a cruising sailboat in as little as seven days—even if you've never sailed before! Who says you have to be an experienced daysailor before you can think about cruising? Steve and Doris Colgate know that most of us don't have that kind of time. At the Offshore Sailing School, the Colgates have helped more than 100,000 adults—three-quarters of whom started as beginning sailors or complete newcomers--take the helm of a midsize cruising sailboat. Now Fast Track to Cruising offers these proven instructional methods to all aspiring sailors with big dreams and little time. This is the very first guide that teaches sailing and cruising together, taking you from your first sail to independent cruising in one leap. You can make that leap in as little as seven days—as in the Colgates' "Fast Track to Cruising" course—or you can get there at a more leisurely pace. Either way, no other book will take you from your first tacking or docking maneuver to a mastery of navigation and diesel engines as efficiently as this one. "America's most experienced sailing instructors present a thorough and easy to understand look at cruising. Leisure time is precious. Safety is paramount. The Colgates will help you maximize your time on the water."--Gary Jobson, ESPN's lead sailing analyst and editor at large for Cruising World and Sailing World "Doris and Steve Colgate understand that people want to reach their sailing goals as quickly as possible and they've built the excellent Fast Track program to accomplish it."--Bernadette Bernon, former editorial director of Cruising World magazine "Together Steve and Doris Colgate have been teaching beginners to sail for over half a century. In Fast Track to Cruising they have included every concept and procedure you need to get yourself from a want-to-be sailor to one who is knowledgeable and competent to take the helm--with confidence and a smile."--Charles Mason, Executive Editor, SAIL magazine

"It was the best of dreams, it was the worst of dreams, it was an age of consulting the nautical experts, it was the age of landlubber foolishness, it was the epoch of determination, it was the epoch of despair, it was the season of hurricanes, it was a spring of beachcombing..." If you dream about chucking it all away and sailing toward an island life, read this first. Renee and Michael didn't have any boating experience and when their plans to remedy that fell through the two had to learn everything the hard way. Despite themselves they managed to get from Miami to Grenada, eventually dropping the anchor of their cruising catamaran at the island of their dreams. Determined to save future sailors from themselves, A Sail of Two Idiots includes lessons Renee and Michael learned and shares them with you as examples of what and what not to
