Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In A Family Guide to Spiritual Warfare, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love - and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies - how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for - and against - your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective - and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

The Bible is explicit: We live in a world of distinct opponents; our very lives are a battle. Yet too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they don't recognize the enemy when they see it. More importantly, they have no idea how to respond. While society tells us we can react simply, the truth is that a wish, a hope, and a prayer are not the best responses to attacks from those who stand between us and the Father. Christians must be strategic in their reactions to these clearly defined enemies, learning how to fight biblically and effectively rather than just sincerely. In Spiritual Warfare, Dr. Karl Payne - pastor of Leadership Development and Discipleship at Antioch Bible Church and Chaplain for the NFL's Seattle Seahawks - has written a guidebook for defense that is simple, biblical, and transferable. Through his teaching on how to recognize and resolve attacks from the world, we learn that we are more than conquerors in Christ.
