Former AMA racing champion Reg Pridmore, known worldwide for his popular CLASS Motorcycle Schools, brings his decades of experience on the track, street

Download Ebook Suzuki VI800 2007 Doents

and classroom, to the readers of this new riding skills book. After reviewing the basics, Pridmore shows advance students how to focus on control in cornering, braking, and acceleration. A long-time proponent of the value of body-steering, Pridmore's insightful text explains how this controversial technique helped him win championships and how it can help everyday riders and budding racers become smoother, better riders. Sections on street strategies and riding gear make this a comprehensive how-to riding skills book for anyone looking to improve their skills.

Moving to a South Pacific island from small town Oklahoma, sixteen year old Nancy Sanders trades cruising Main Street in search of tater tots for strolling sandy shores with islanders who feast on sea worms and summon sharks with song. With a dash of teenage sass, MANGO RASH chronicles Nancy's search for adventure—and identity—in two alien realms: the tricky terrain of adolescence and the remote U.S. territory of American Samoa. Against a backdrop of lava-rimmed beaches, frangipani-laced air, and sensual music, Nancy immerses herself in 1960s island culture with a colorful cast of Samoan and American expat kids. But life is not one big beach party, Nancy soon finds, when

Download Ebook Suzuki VI800 2007 Doents

she clashes with her parents over forbidden boys and discovers double standards in the expat community. Samoa, too, is experiencing growing pains as ancient customs collide with 20th-century ways. In the midst of all this, a hurricane shatters the peaceful paradise, delivering lessons in attachment and loss, strength and survival. Like Nancy, readers of this unforgettable memoir will fall in love with Samoa's biscuit-tin drum serenades, its mountains like mounds of cut velvet cushions, and its open-hearted people, who face adversity with grace. And just as Nancy does when her own health crisis thrusts her into a very different kind of unfamiliar territory, readers will draw

Download Ebook Suzuki VI800 2007 Doents

strength from fa'a Samoa: the Samoan Way. In language as lush as the island landscape, MANGO RASH enchants, entertains, and, ultimately, inspires with its message about embracing and learning from other cultures.

This best-selling book is also “#1 book in motorcycle safety” (Nielsen BookScan) and essential reading for all motorcyclists regardless of their years of experience. Author David L. Hough, a revered motorcycle author, columnist, and riding-safety consultant, lays out a clear course for all riders who want to sharpen their handling skills and improve their rides. This second

Download Ebook Suzuki VI800 2007 Doents

edition, expanded and now in full color, offers new riders and road warriors the exact kind of advice they need to be prepared for anything when on the road, how to avoid accidents, and how to handle the unexpected. Hough, who began motorcycling in the 1960s, tackles every imaginable topic—from the mechanics of the bike, selection of the right-sized bike, and basic riding skills to night riding, group outings, and advanced survival tactics. In the chapter called “Motorcycle Dynamics,” Hough spells out the equipment needed and basic skills required to control a bike, and specifically keeping the rider’s safety and ability to avoid potentially injurious or fatal crashes. The author is outspoken

Download Ebook Suzuki VI800 2007 Doents

and direct when it comes to safety, and he emphasizes the importance of the rider's braking abilities and spells out how to improve them. The chapter offers six tried-and-true techniques for quick-stop tactics, critical for every rider to understand and master. He also addresses other vital skills that riders need to evaluate and improve, such as turning, maintaining balance and stability, and steering. He defines, compares, and analyzes the ins and outs of steering and control: direct steering, countersteering, push steering, out-tracking, coning, u-turns, and directional control. The chapter called "Cornering Habits" is a virtual master class in acceleration, deceleration, use of weight,

Download Ebook Suzuki VI800 2007 Doents

throttle, leaning, and handling challenging terrain. Hough's skill as a photographer and illustrator adds a graphic element to his books that leads to immediate understanding of the concepts he explains. The detail offered in each section of the book can only come from decades on the road, and the author is the consummate instructor, assigning homework to the readers in the form of exercises to practice and improve specific techniques that he outlines and illustrates in the text. Any rider who would venture out on the road without David Hough's voice in his head takes an unnecessary risk with his own life. Proficient Motorcycling takes riders from long, snaking country roads right into the traffic of the

Download Ebook Suzuki VI800 2007 Doents

big city, and Hough offers the best advice for riders dealing with the most challenging conditions, whether it's road construction, snap-jawed intersections, skateboarders, or suddenly slippery road surfaces. A critical section of the book offers riders advice on how to deal with automobiles, including aggressive car drivers, oblivious SUV drivers, or "blind" truck drivers. The book offers the kind of first-hand experience that can literally save riders' lives, as illustrated in the chapters "Booby Traps" and "Special Situations," which offer evasive tactics and advice to avoid and handle everything from slick surfaces, curbs, and construction plates to ferocious dogs, hazardous wildlife, and

Download Ebook Suzuki VI800 2007 Doents

difficult weather conditions. The final chapter of the book, "Sharing the Ride," is geared toward experienced riders who travel together in groups or who travel with a second passenger on the bike. Topics covered are formation, packing for trips, communication between riders, sidecars, trikes, and more. The book concludes with a resources section of organizations, training schools, educational tools, and websites; a glossary of 80+ terms; and a complete index.

Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a
