Eight Lectures on Yoga is a book by English occultist and teacher Aleister Crowley about the practice of Yoga. The book is number 4 of volume 3 of The Equinox, which was published by the Ordo Templi Orientis. The work is largely a demystified look at yoga, using little to no jargon or satirical humor. It is divided under two sections into eight parts, which are transcripts of eight one-hour lectures on the subject given by Crowley. The book was originally published in 1939.

3. At this point we begin to see an almost insensible drawing together of the path of Yoga which is straight (and in a sense arid) with that of Magick, which may be compared with the Bacchic dance or the orgies of Pan. It suggests that Yoga is ultimately a sublimation of philosophy, even as Magick is a sublimation of science.
