F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure in a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

From the author of the national bestseller F in Exams comes a brand new compendium of hilarious and inventive wrong test answers and homework hiccups. Featuring gems from elementary school ("two halves make a whale"), middle grades (Q: What does "germinate" mean? A: To become a German citizen), and high school (Q: Fossil fuels are usually associated with which major type of rock? A: Classic rock), these 250 examples of creative invention are sure to charm anyone who has had to bluff or blunder their way through a test.

Disguise learning time as fun family bonding time. Studies have found that when kids associate learning with a strong positive emotion, they're more likely to retain information. What if you could give them this without piling on extra homework or trying to make fractions more interesting? Learning should be fun. And when it's done right, children shouldn't even be aware that it's happening. In times of need, fun trivia games are your secret weapon... and as an added bonus, you'll even boost your chances of winning future pub quizzes! Asking and answering trivia questions has been shown to not only enhance children's intelligence, but also their memory. And when this is incorporated into your family's quality bonding time, it creates the ultimate activity sure to tick off any parent's boxes. In 537 Hilarious Trivia Questions for Kids: Questions and Answer Book for Kids, you'll find hours of fun and knowledge. You'll discover: A guaranteed way to capture even the most reluctant learner's attention 537 fun and engaging questions to challenge the whole family Easy-to-find answers so no one is left in the dark A foolproof way to keep the little ones occupied during long car rides Unusual facts that your kids will be dying to find the answers to--and even learn from in the process A rich mixture of pop culture, sports trivia, and general knowledge questions Questions that allow the adults to learn just as much as the children A refreshing alternative to dry workbooks and school quizzes And much more. It can be hard to justify quality family time when you're worrying about making sure your kids are prioritizing their education--but you don't have to choose. Research shows that learning is most successful when it's fun. Is there any better excuse to put down the homework and start playing together? If you want to boost your child's knowledge without them whining in boredom, then click "Add to Cart" right now.

The ultimate compendium of the international and New York Times bestselling series, this fun omnibus features the complete content from all four books—F in Exams, F for Effort, F this Test, and F in Exams: Pop Quiz—plus more than 100 brand-new, sadly real, hilariously wrong student answers (Q: What is the role of a catalyst in a chemical reaction? A: It lists the cats involved). Also including bonus trivia in the form of "Stuff They Should Have Taught Us in School" facts (did you know a sneeze can travel up to 100 MPH?), this A+ collection will amuse anyone facing down a test as well as those happy to have the classroom behind them.
