glitches that can derail any project, while in-depth cases and real-world examples illustrate essential concepts in action.

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well behavioral areas such as motivation. No one individual can be an expert in all

Download Ebook Guide To Managerial Communication 10th Ed Munter

areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.
