Hang A Thousand Trees With Ribbons--Part 2 Hang A Thousand Trees With Ribbons~~~Ann Rinaldi I read from page 82 to page 98 or from the middle of chapter 10 through chapter 12 Chapter 10: This chapter starts off with Nathaniel getting a tutor and Phillis being able to sit in and listen if she got her work done first.

Kidnapped from her home in Senegal and sold as a slave in 1761, a young girl is purchased by the wealthy Wheatley family in Boston. Phillis Wheatley--as she comes to be known--has an eager mind and it leads her on an unusual path for a slave--she becomes America's first published black poet. "Strong characterization and perceptive realism mark this thoughtful portrayal."--Booklist

Kidnapped from her home in Senegal and sold as a slave in 1761, Phillis Wheatley -- as she comes to be known -- stuns her adopted country by becoming America's first published black poet.

A "suspenseful [and] exciting" tale of a young woman's battle to save her beloved horse during the Revolutionary War, inspired by a true story (Booklist). The Revolutionary War is raging. Food and firewood are scarce, and Tempe Wick is worried that she will not be able to care for her ailing mother and her family and still maintain their farm in New Jersey, where troops are now camped. Her ability to hold on to her world is further threatened when a mutinous soldier demands that she lend him her beloved horse, Colonel, in exchange for keeping her brother's rum-smuggling activities secret from the authorities. This dramatic historical novel is based on a real event that has been popularized into American legend. "Crammed with authentic detail." --Kirkus Reviews A New York Public Library Book for the Teen Age

A teenage orphan is caught up in President Lincoln's assassination--and another macabre plot--in this "fast-paced and dramatic" historical novel (Publishers Weekly). Emily's mother always told her that she should avoid Uncle Valentine, a doctor, that he was involved in things she shouldn't know about. But after Emily is orphaned--as Washington, DC, is in chaos due to the end of the Civil War--she has nowhere else to go. Now, in addition to coping with the loss of her mother, the fourteen-year-old finds herself involved in two mysteries. First, she wonders about her best friend, Annie Surratt, and the Surratt family. Annie has a signed picture of the handsome actor John Wilkes Booth in her room--but there seems to be more of a connection between Booth and the Surratt family than Emily thought...possibly including the plot to kill Lincoln. At the same time, Uncle Valentine's odd behavior leads Emily to suspect that he is involved with body-snatching. As dark secrets swirl around her, Emily must figure out who she can trust, in this suspenseful tale "with a wealth of interesting background information" (Publishers Weekly). "Rinaldi has woven two interesting plots here into a fine coming-of-age historical novel....Makes readers feel as if they are living in history."--Booklist "A vivid account of the moral ambiguities surrounding body snatching--for medical research--at the close of the Civil War."--Publishers Weekly

All my life I have done what my family wanted. I have performed and made them happy. Until now. Now I have broken out on my own Sarah Tracy has spent her entire life under constant supervision, always under the thumb of one older sibling or another. Now, at eighteen it's time for her to get married, so she is sent to dinner parties, plays, teas, soirees, talks, and chaperoned walks -- always accompanied, always watched. Sarah's tired of it -- tired of being shipped around, tired of being reminded that it's time to find a suitable husband. She knows that a husband is definitely not what she wants. But the year is 1861 and it's not proper for girls of Sarah's age to be single or independent. Then Sarah sees an advertisement looking for a young woman to oversee Mount Vernon, the beloved, though now dilapidated, family home of George Washington. Intent on securing the position, she lies to her family and her potential employer, and she becomes mistress of this decaying symbol of American freedom. And then comes the American Civil War. As battles rage around her, Sarah is determined to create a haven of peace at Mount Vernon. With consummate skills, feminine wiles, and a true sense of diplomacy, Sarah single-handedly manages to keep Mount Vernon out of the war. But while she is able to influence generals, soldiers, and even the president, she learns she doesn't hold such sway over her own heart -- as she also discovers true love. Based on a true story, this is the amazing tale of one girl's path to womanhood.

Sixteen-year-old Jem struggles to maintain the status quo at home in Trenton, New Jersey, when the family men join the war for independence. There are signs of rebellion in the Emerson household several years before the actual American Revolution hits in 1776! Brought up in a relatively liberal household, Jemima Emerson is quite a challenge for her tutor, John Reid, who is known as a Tory with strong ties to England. How could Jem's parents be friends with a man who opposes American freedom? Jem longs for freedom on every level, in the home and her homeland--and John represents the forces that restrict her. Jem and her family soon find themselves fighting for freedom in whatever ways they can in the Revolutionary War. Before long, Jem discovers that there is much more to Mr. Reid than she ever imagined. Her feelings about him change when Jem realizes that John shares her love of freedom--and will risk his life to defend it.

Although the Civil War has ended, Eulinda's younger brother, still in slavery, has been sold, and her older brother has run away, leaving her alone in a household headed by a cruel mistress.

While waiting for a church meeting in 1706, Susanna English, daughter of a wealthy Salem merchant, recalls the malice, fear, and accusations of witchcraft that tore her village apart in 1692.
