Making a will - GOV.UK

That does make the document non-editable. It's not quite the answer I was looking for, though--I will try to articulate it better. When I export a document to PDF from InDesign, Word, or other programs, the document comes over with editable properties. I don't want that. I want the document to arrive in Acrobat in a static condition.

How do you make a PDF not editable?
- Adobe Support ...

In life, everyone needs to make an apology, you need to make people think you mean it, you should mean it anyway if you want to make genuine. Life skills! It often happens that you have mixed feelings, that the subject is not a simple situation, not black and
