This volume contains parallel texts and translations of all Bach's church and secular cantatas that have come down to us complete. The volume also includes a short glossary of geographical and mythological names, a list of dedicatees of the secular cantatas, a list of the poets with their dates, and an introduction to the cantatas by Martin Neary, formerly organist of Winchester Cathedral and Westminster Abbey.

This is the only English translation of this important book by the world's most distinguished Bach scholar. This work is widely regarded as the most authoritative and comprehensive treatment of the Bach cantatas. It begins with a historical survey of the seventeenth-century background to the cantatas, and performance practice issues. The core of the book is a work-by-work study in which each cantata in turn is represented by its libretto, a synopsis of its movements, and a detailed analytical commentary. This format makes it extremely useful as a reference work for anyone listening to, performing in, or studying any of the Bach cantatas. All the cantata librettos are given in German-English parallel text. For the English edition the text has been carefully revised to bring it up to date, taking account of recent Bach scholarship.

This collection of 28 short, melodious pieces by J. S. Bach was compiled and edited by Walter Carroll in order to provide a varied set of easier compositions for study by pianists first being introduced to Bach's work. Includes 11 Minuets, 4 Polonaises, 3 Marches, 2 Musettes, a Bourree, 4 Gavottes, a Scherzo, a Sarabande, and a Prelude.

(Schott). Contains RV 269 (PV 241), RV 315 (PV 336), RV 293 (PV 257) and RV 297 (PC 442)

Composed by Johann Sebastian Bach, Cantata No. 78 -- Jesu, der du meine Seele is a choral worship cantata for SATB with SATB Soli.
