To find out, McBee must confront the suffering he has endured at the hands of men: the abuse he endured as a child from his father, and the violent mugging which almost killed him as an adult. Standing at the brink of the life-changing decision to transition from female to male, McBee seeks to understand these examples of flawed manhood, and reclaim his body on his own terms. 'The ultimate guide on how to stay healthy as a man, both physically and mentally' JASON FOX, EX-SPECIAL FORCES AND BESTSELLING AUTHOR Being a man is bad for your health. Not only do men have a greater chance of getting almost every illness but they die sooner too: one in five men die before the age of 65. So why do so many men still accept poor health as a consequence of 'just getting older'? In MAN ALIVE, Dr Jeff Foster, men's health specialist and private GP, examines the most commonly misunderstood aspects of men's health, such as testosterone deficiency and 'male menopause', heart disease, diabetes and mental health. He also looks at conditions related to male anatomy and physiology, including erectile dysfunction and prostate disease, with advice on what symptoms and signs to look for, how to self-examine, and when to consider seeing a doctor. Dr Foster covers problems to do with lifestyle too, including obesity, poor sleep, bad nutrition, and lack of exercise, and he examines the evidence for specific health claims - busting plenty of myths along the way. 'An immensely useful and practical guide, answering the questions that every man has about their day-to-day health' IAN MARBER 'Many men avoid going to the doctor as they fear their concerns are either embarrassing or they will not be taken seriously. This book will empower men with the right information to change this' DR LOUISE NEWSON

Autobiography of Usain Bolt Covers his journey from playing cricket and soccer as a kid to becoming the fastest man alive Well-illustrated Years before he set world records for the 100-meter and 200-meter sprints, which made him the fastest man alive and famous, Usain Bolt was a fairly scrawny kid from Trelawny in Jamaica. In this autobiography, Bolt himself shares how, as he grew up and played cricket and soccer, he—and others—learned he could run fast. Very, very fast. Usain Bolt ' s journey from a kid with humble beginnings to an Olympic gold medal winner is an inspiring and encouraging story. This beautifully illustrated autobiography shares that story from Bolt ' s perspective. It is a celebration of someone who was inspired by other athletes around the world, someone who worked for years to become the best at his sport. Bolt shares stories of the sacrifices he made, the influence of Cristiano Ronaldo, the power of soccer and dancehall music, and his signature lightning bolt move.

Shy No More Worksheet Name: Jasmine Burns Imagine the person who intimidates you. Naked. I'm intimidated by Josh Toby, the world's biggest movie star. Who has to imagine him naked? I've seen it on a forty-foot screen. Breathe deep. Did I mention he's Josh Toby? As his costume designer, I'm supposed to dress him. And undress him. Oh, and my psychic sister Amy, who has never been wrong, named him my One True Love. Breathing is completely out of the question. Ask for what you want. What I want is for him to stop being so...irresistible! I want not to fall in love with a man who's stalked by the paparazzi, whose washboard abs could cut glass, and whose movie star girlfriend is the most stunning creature ever. Believe you can do what needs to be done. Then do it. So, all I have to do is believe I can resist Josh Toby. Resist those deep violet eyes, those strong, muscular arms, and the way he makes me feel like the only woman on earth. Couldn't be easier. Yeah right...
