Heavy karma can trap us in the same old patterns by pulling us toward the same types of people, jobs, illnesses, events, accidents, and unneeded burdens. A much-needed break in the karmic cycle can occur when we analyze our personal karma and take the necessary steps to resolve it.

7 Strategies To Get Rid Of Your Bad Karma

Here are a few steps which should give you an insight into how to heal your bad karma: 1. Recognize the Karma. Wherever you will go or whoever you will meet, you will face the same situation under different... 2. Be awake. In order to recognize your bad karma, you need to be awake, in touch with ...

How to Recognize If You Have a Bad Karma and What to Do to ...

Thanks to the media, we often think of karma as "what goes around comes around." But the reality of karma is more expansive than just being "punished" for our bad deeds—positive karma exists just as much as negative karma. If you stole, others will steal from you in following lives. If you nourished, you will be nourished.

5 Ways Karma From Your Past Lives Affects You Today

In Eastern philosophy, you get bad Karma when you act selfishly and dishonestly. However, you can reverse your bad karma with love, kindness, and understanding. If you've hurt someone, the first step is to apologize to them. Take responsibility for your actions and do what you can to make it up to the person.

Bad karma comes from harmful things you did in the past, and the karmic price you pay later on. To get rid of bad karma you need to follow The Karma Law The word "karma" is a Sanskrit word that simply means deed or action. It's also a word used in Buddhism, where it means to take responsibility for our actions [source].
