If Kioti corporate hosted the parts diagrams, all of the dealers would be able to link to the parts diagrams from their websites. I can only guess the individual dealers think it's too much work for not enough benefit, and Kioti corporate is still young to the game in figuring out what modern customers are demanding.

1903. Thomas Nelson Page, author of short stories, novels, essays, and poetry, is best known for his role as literary spokesman for the glories of the Old South. Gordon Keith begins: Gordon Keith was the son of a gentleman. And this fact, like the cat the honest miller left to his youngest son, was his only patrimony. As in that case also, it stood to the possessor in the place of a good many other things. It helped him over many rough places. He carried it with him as a devoted Romanist wears a sacred scapular next to the heart. See other titles by this author available from Kessinger Publishing.
