~~Midmark M11D Manuals | ManualsLib~~

The M9D has a manual door that DOES NOT open automatically after the sterilization cycle has completed. If you want the automatic door, check out the M9. The Midmark M9 Ultraclave Automatic Sterilizer's smaller footprint still drives your efficiency.

~~Midmark Ritter M9D Ultraclave Autoclave Tabletop ...~~

The Ritter M9D has a manual door and the Midmark M9 has an automatic. Although the automatic door is a more desirable function the difference in price makes the Midmark M9D the top seller. Most medical professionals are responsible enough to promptly open their manual door on their autoclave machine.
