Whitetail Addicts Manual provides whitetail hunters, whether they are novices or experts, with the information they need to understand the biology and behavior of white-tailed deer. This information will enable hunters to understand how deer, especially trophy-class whitetail bucks, act on a seasonal and daily basis and how they react to the daily, changing conditions around them. This book will help hunters know how to locate deer in existing conditions each day and will also arm them with highly successful archery and firearms tactics and techniques for each rut phase. Ultimately the content will successfully provide enthusiasts with the information and skills that will make them more successful hunters regardless of hunting conditions. Written by a nationally recognized big-game expert, the content is based on his more than 20 years of research, studying how trophy whitetails behave in a range of conditions. The content contains several chapters on biology and behavior of North AmericaÆs most popular big-game species and several different tactics and techniques for scouting, observing, locating, patterning, and hunting. All techniques were developed by the author when he was professional hunting guide and outfitter for more than 15 years. Whitetails are the most popular species to hunt in North America and interest continues to grow from both men and woman of all ages. This book is also the complete guide to the species, so it's great for researchers and biologists, as well, in that it is the complete study of the species and its behavior. The knowledge that hunters gain from this book will not only help them be more successful hunters it will help them take more trophy bucks -- the goal of all whitetail addicts. Discusses firearm, muzzleloading and archery techniques.

interview transcripts. An encyclopedia of the unnatural. The Foundation Operating clandestine and worldwide, the Foundation operates beyond jurisdiction, empowered and entrusted by every major national government with the task of containing anomalous objects, entities, and phenomena. These anomalies pose a significant threat to global security by threatening either physical or psychological harm. The Foundation operates to maintain normalcy, so that the worldwide civilian population can live and go on with their daily lives without fear, mistrust, or doubt in their personal beliefs, and to maintain human independence from extraterrestrial, extradimensional, and other extranormal influence. Our mission is three-fold: Secure The Foundation secures anomalies with the goal of preventing them from falling into the hands of civilian or rival agencies, through extensive observation and surveillance and by acting to intercept such anomalies at the earliest opportunity. Contain The Foundation contains anomalies with the goal of preventing their influence or effects from spreading, by either relocating, concealing, or dismantling such anomalies or by suppressing or preventing public dissemination of knowledge thereof. Protect The Foundation protects humanity from the effects of such anomalies as well as the anomalies themselves until such time that they are either fully understood or new theories of science can be devised based on their properties and behavior. \_\_\_\_\_

About the ebook This ebook is an offline edition of the second series of fictional documentation from the SCP Foundation Wiki. All illustrations, subsections and supporting documentation pages are included. All content is indexed and cross-referenced. Essentially, this is what a SCP Foundation researcher would carry day-to-day in their Foundation-issued ebook reader. The text has been optimised for offline reading on phones and ebook readers, and for listening to via Google Play Book ' s Read Aloud feature. Tables have been edited into a format that is intelligible when read aloud, the narration will announce visual features like redactions and overstrikes, and there are numerous other small optimisations for listeners. The SCP text are a living work and the SCP documentation is a gateway into the SCP fictional universe, so links to authors, stories and media are preserved, and will open your reader ' s web browser.
