Academia! The superpowered society of My Hero Academia takes a hilarious turn in this reimagining of the best-selling series! Join Midoriya, All Might and all the aspiring heroes of U.A. High, plus memorable villains, in an irreverent take on the main events of the series, complete with funny gags, ridiculous jokes and superpowered humor! In this zany volume of the My Hero Academia parody series, U.A.'s aspiring heroes move into the dorms to deter bad guys—but the League of Villains somehow enrolls in classes for a day anyway! What would the world be like if 80 percent of the population manifested superpowers called “Quirks”? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? A sinister group of villains has attacked the first-year U.A. students, but their real target is All Might. It's all that Midoriya and his classmates can do to hold them off until reinforcements arrive. Though U.A. High trains aspiring heroes, the school still holds plenty of normal events, like the school festival, for students from all of U.A.'s educational courses. In an effort to delight and entertain their peers, the students of class 1-A pour their hearts and souls into staging a live concert at the festival. Even if their performance and some other events end up a little quirky, the whole

Midoriya has learned a few tricks from Gran Torino, but some things just have to be experienced to be understood. Even though he's not ready, when the League of Villains attacks in the town of Hosu, Midoriya rushes to help Ida, who is engaged in a life-and-death struggle with Hero Killer Stain. Stain has some very particular ideas about heroes and their place in society—and he means to purge the world of every hero he can find! -- VIZ Media

When you're not a licensed hero, sometimes you need all the help you can get. For Koichi, unexpected—but not entirely unwelcome—assistance comes in the form of Makoto Tsukauchi, one of Koichi's friends at school. Makoto's got a self-confident vibe that makes Pop Step more than a little anxious and...jealous? Meanwhile, out in the streets of the Naruhata district, the scheming bee user Hachisuka continues her distribution of the "instant villain" drug, Trigger... -- VIZ Media
