The memory motions we used for problem and solution were very simple. We did a sad face and a thumbs down for problem and a big smile and a thumbs up for solution. This week was a 4 day week (yay!), so we read a read aloud together everyday, did a quick problem and solution match, and then charted the problem and solution. Here are the books we ...

A problem is an issue that needs to be solved and the solution is how the problem is solved. For example, if I locked my keys in the car that would be a problem because I need to drive to work. One solution to that problem is to call a locksmith and have my car unlocked. As readers we need to pay close attention to problems and solutions in ...
