This short novel by the great Russian author concerns the relationship between a landowner and peasant and repeats one of the great themes of Tolstoy's works: the only true happiness in life is found by living for others.

Secrets... Daire Belgarde knows that Alaska is the hiding place of the nation. Nearly everyone who moves to The Last Frontier is running from someone or hiding something. Even his family, who was born here, isn't exempt. As the youngest Belgarde brother, Daire has witnessed his share of revelations. With all the skeletons that have already escaped their closets, he would have thought that his family would be an open book. Nope! His very identity is the best kept mystery of all. And now, Daire has another secret. He 's in love with his boss. Falling in love with a coworker is never smart; when she 's your direct supervisor, it 's downright foolhardy. But it 's happened, and now he has to hide his feelings since he practically lives with her—well, at least for their 24-hour shifts. During his agonizing days off, Daire fills his time working search-and-rescue with his Midnight Sons brothers, so he won 't go nuts waiting to see Silvia again. Over the last few weeks, it has gotten worse, though, because it 's clear the woman he loves is also keeping a secret. After almost dying at age sixteen, Silvia was determined to become a rescue worker. By moving to Alaska to pursue her goal, she was able to leave behind her past—good and bad. She had to abandon her beloved mother and sister, the home she loved, and most importantly, her identity. Her greatest fear is that her past will catch up to her. She knows that fact as sure as she knows she can 't act on her feelings for her coworker Daire. She can 't bring anyone else into her nightmare. What readers are saying about the Midnight Sons series: "An Alaskan Adventure... Who doesn't love a bad boy? Match him with a tough, independent female, and you have a dream couple!" — Goodreads (Sam's Folly) "Suspense and sensual romance are expertly combined in this riveting story." — Goodreads (Sam's Folly) "An escape into the remote wilderness, with scenes that'll take your breath away and characters you can't help but love." — Goodreads (Alex's Atonement) "Suspense, Romance, Action, and Drama...Midnight Sons Series Has IT ALL!" — Goodreads (Vince 's Chance) "This series just keeps getting better!" — Goodreads (Erik 's Revelation)

Presents two problem story structures, circular stories with resolution and circular stories without resolution, for literature studies in a first grade classroom.

A musical, magical, resilient volume from the first Native American Poet Laureate of the United States. In these poems, the joys and struggles of the everyday are played against the grinding politics of being human. Beginning in a hotel room in the dark of a distant city, we travel through history and follow the memory of the Trail of Tears from the bend in the Tallapoosa River to a place near the Arkansas River. Stomp dance songs, blues, and jazz ballads echo throughout. Lost ancestors are recalled. Resilient songs are born, even as they grieve the loss of their country. Called a "magician and a master" (San Francisco Chronicle), Joy Harjo is at the top of her form in *Conflict Resolution for Holy Beings*. Finalist for the Griffin Poetry Prize
