This is the third book in the series and was originally going to be the last in a trilogy, but Paul has hinted that there could be other books added to the extinction point theme. This book is an enjoyable read and I wasn't dissatisfied with some of the ideas used in the book, the alien world is unknown (hence the word alien) and anything could ...

Extinction Point: Kings is the last book in the series. And it was a very good book. It's been 2 years since I read the 4th Extinction Point book, Genesis, and I was really surprised that I could pick up KINGS and immediately be right back in the midst of things.

Extinction Point: Kings by Paul Antony Jones

Revelations, the third and final book in Paul Antony Jones's Extinction Point trilogy, is aptly titled, for it is a book about revelations. The real origin of the red rain, the purpose of its arrival and destruction of the planet, and what these revelations mean for humanity – that is the big question that drives the series as a whole, and ...

Extinction Point Publisher's Summary Emily Baxter's dream life turns into a waking nightmare the day the red rain falls. Like a biblical plague, the scarlet downpour spreads a hideous virus that demolishes life in New York City, the nation, and the world.

First comes the red rain: a strange, scarlet downpour from a cloudless sky that spreads across cities, nations, and the entire globe. In a matter of panicked hours, every living thing on earth succumbs to swift, bloody death. With only wits, weapons, and a bicycle, Emily must undertake a grueling journey across a country that's turning increasingly alien. For though she fears she's been left to inherit the earth, the truth is far more terrifying than a lifetime of solitude.

There is nowhere left to run. In the wake of the deadly plague that virtually annihilated the human race, a vast red jungle teeming with alien creatures and lethal plants is devouring Earth, swallowing buildings whole and ruthlessly decimating what life remains. A witness to the terrifying transformation, survivor Emily Baxter thinks the odds against humanity can't get any worse. She is wrong. The thrilling conclusion to the bestselling Extinction Point series, Revelations takes a humanity on the brink of devastation... and throws it over the edge!

With a terrifying new form of life emerging from the mutated landscape, Emily's only hope is to flee toward distant Alaska where she can unite with the survivors who have reached out to her from a remote science facility. The journey from New York will be long and painstaking, and Emily has only her faithful dog and whatever she can carry. But, after discovering a small family of refugees along the way, Emily's determination to escape the unfolding catastrophe and carve out a new future is renewed. Standing in their way are Earth's new masters, equally determined to survive and thrive, and possessed of monstrous capabilities Emily and her allies can't begin to imagine until they're face to face with the hideous reality. In the battle about to begin, there will be no room for mistakes or mercy/only the most ruthless instincts to survive.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the "mark of the beast," variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of powerful imagery, with warnings and promises for the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores the four main views in which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numericalogical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Welcome Children of Earth. Do not be afraid After a devastating car crash leaves her addicted to pain pills and her best friend dead, Meredith Gale has finally been pushed beyond her breaking point. Ending her life seems like the only way out, and that choice has left her dangling by her fingertips from a bridge above the freezing water of the San Francisco Bay. But someone, or some thing, has other plans for Meredith. As her fingers slip from the cold steel of the bridge, a disembodied voice ask her a simple question: "Candidate 13: Do you wish to be saved?" Realizing her mistake too late, Meredith screams "Yes!" and instantly finds herself transported to a mysterious island, alongside hundreds of other Candidates like her, each pulled from human history with seemingly little in common. But when Meredith stumbles across a cryptic message meant only for her, she uncovers an even bigger mystery - a mystery that places the fate of humanity's future firmly in her hands. With the help of her new companions, Meredith sets out on an impossible journey to find the one person who can solve the riddle of why they were brought to this strange, alien Earth... assuming they can survive the dangers that lurk within this new world and the dark forces massing against them. Don't miss the first book in the This Alien Earth Series, a futuristic adventure perfect for fans of Jeremy Robinson, Stephen King & Lost.

Rebecca has been captured and awakens alone in the dark, not knowing where she is. She can feel that Llyr is alive, but cannot contact him through the soul link. Chained to a wall and without magic, she must find a way to survive and escape. Llyr was defeated by his brother and witnessed the fall of the tower on Avalon. Being separated from Rebecca has created a problem: the soul link is draining his body of all strength. Despite not being able to stand on his own, he's determined to return to his world and save Rebecca from the Archwizard. Without Havaar to guide him, he must rely on the ghosts of Havaar's school to find a way home.
