shared with him, Ash feels that he has no choice but to walk away from snowboarding forever. Then he meets Tansy. From the very beginning, their chemistry is intense. But while Ash can't stop chasing the ghosts of what can never be, Tansy stays firmly focused on the possibilities the world holds for her—and for them. She's already picked up the pieces of one shattered life. Now she's determined to help Ash do the same. Praise for Shattered “My hat is off to Tracy Wolff, who has created a world filled with heart, humor, turmoil and second chances. She tells a tale of love, loss and misguided blame and the pain it causes everyone. . . . I laughed, I cried and I got angry at how unfair life can be. For an author to so completely immerse me in her world, [leaving me] hanging on every word and scene, is the sign of wonderful storytelling. Tracy Wolff has raised her own bar another notch higher.”—Tome Tender “Shattered is a complex story with many pieces cohesively blended together to form one spectacular story. Emotionally gripping, sensual, and carefully crafted to reflect the change and acceptance needed when lives are changed forever, this book will take hold of your heart and remind you to live each day to the fullest.”—Guilty Pleasures Book Review “I loved this story. . . . The writing was flawless, [as were] the plot, and the characters. I loved the family dynamic that this series has. . . . This group really cared about each other.”—My Midnight Fantasy “I'm a big fan of Tracy Wolff and especially the Extreme Risk series. . . . The snowboarder aspect is something different from the norm and this group of friends has really been a treat to read about. There was something about this couple that I really connected with though.

From the beginning . . . I soaked up their story like a sponge.”—Smokin’ Hot Book Blog “I loved this book! I don’t think of athletes as sexy in general but my goodness I can’t wait for the next Olympics after reading Tracy Wolff’s Shattered. . . . Ash and Tansy are both amazing characters who are mainly focused on finding themselves but bring out the best in each other. Even the supporting characters in this book have a special place in my heart and I’m already salivating for the next books to come.”—Coffee Books Life

In the intense and exhilarating Extreme Risk series debut, a hotshot snowboarder and a rebel with a cause try to let go of the past—and find a future with each other. Twenty-one-year-old professional snowboarder Z Michaels is the bad boy of Park City, Utah. He’s always had his pick of any girl in town—and on the competition circuit. But underneath his cool exterior is a young man in turmoil, trying to take the edge off tragedy by overindulging in sex and shredding the slopes. In fact, Z’s rash behavior is a thinly veiled attempt to blunt his emotional suffering with physical pain. Ophelia Richardson isn’t like any girl Z has ever met. Though she’s from New Orleans, she’s no Southern belle—and she’s not shy about being miserable in frozen, godforsaken Park City. But after nearly dying in the same drag-racing accident that killed her boyfriend, she needs a place to heal, both physically and emotionally. The last thing Ophelia wants right now is a boyfriend—especially one as rich and reckless as Z. But Ophelia soon discovers that he isn’t what he seems. If anything, Z may be even more damaged than she

She'd much rather be shredding at the Olympics than primping in the mirror. Cam's wildest dreams have a way of coming true—except when it comes to getting her longtime crush and best friend, Z Michaels, to notice her. Then her mother suddenly shows up after being gone for, like, ever, and Cam's whole world comes crashing down. Desperate for a place to lay low, she turns to the one person who's always had her back. Try as he might to move on, Luc could never leave Cam hanging. He lets her crash at his place—and it isn't long before she winds up in his bed. With Cam running scared and her icy facade starting to melt at last, Luc's determined to finally win the only prize that matters.
