In the darkness, it's easy to lose your way. . . Kat Redding is a vampire with a job to do--wiping out the vamps and werewolves who prey on Pureblood humans. Someone has to do it. . . as long as that someone is her. But suddenly Kat, also known as Lady Death, has competition, and it's causing problems. Vampire houses and werewolf clans alike are blaming her for a spate of gruesome murders, and Kat needs to figure out who's really responsible before she becomes the next target. . . On the hunt, she forms an uneasy alliance with both the Luna Cult and a powerful rogue werewolf. But the truths Kat's uncovering--about her enemies and her few remaining confidantes--are far from comforting. And when the chance comes to leave her life of vengeance behind, Kat must decide whether her real motive lies in protecting the innocent, or sating her own fierce hungers. . . Praise for E.S. Moore's To Walk the Night "Fans of Underworld will not want to miss this fast-paced, action-packed debut!" --Jess Haines, author of Deceived by the Others "Kat is a complex, compelling character who takes us on a wild ride. Hold on and enjoy!" --Alexandra Ivy, New York Times bestselling author

This “fast-paced, action-packed” paranormal thriller takes you into the darkest corners of the vampire realm--and a bloody battle for survival (Jess Haines). Kat Redding is the very thing she hunts: a vampire, thirsting for blood, capable of killing any creature unlucky enough to get in her path. The difference is Kat kills her own kind in order to protect human Purebloods. And she is very good at what she does. Good enough to earn the nickname Lady Death--and the burning hatred of every nightwalker around. When a vampire Count tries to merge his House with a werewolf cult to create a force of terrifying power, Kat makes it her business to stop him. Now she’s taking on a den of weres and a ruthless vampire more dangerous than any she’s encountered before. She has the weapons, the skill, and the will to get the job done. But that may not be enough to eliminate the Count before her own dark nature arises within her--and costs her whatever is left of her humanity. . . Featuring “a complex, compelling character” who can break hearts even faster than she can tear them out, this is a debut supernatural adventure you won’t be able to put down (Alexandra Ivy, New York Times--bestselling author) “Fans of Underworld will not want to miss this.” --Jess Haines, author of Deceived by the Others

Innocence is relative, and evil is damned hard to kill. . . Kat Redding would love to take a break from the gruesome, dangerous work of hunting down rogue vampires and werewolves, battling for innocent lives. But there's no peace for Lady Death. Until Kat's young charge, Sienna, appears on her doorstep, escaped from the shadow-paradise of Delai. Sienna is weak, confused, desperate--human in the utmost. If Kat is going to have any hope of breaking the hold of Delai, she'll have to infiltrate the walls around the false sanctuary. And the only way she can do that is to trade in her battle-hardened, bloodthirsty vampire's body--for Sienna's human form. With no weapons but her wits, Kat has to trust a demon, defeat an angel, and wrestle with her own rebel soul--because with all the fear and death she's conquered, no one has ever offered her another day under a warm yellow sun. . . Praise for E.S. Moore's To Walk the Night "Fans of Underworld will not want to miss this fast-paced, action-packed debut!" --Jess Haines, author of Enslaved by the Others "Kat is a complex, compelling character who takes us on a wild ride. \*Discusses some of the legends and controversies surrounding Bowie's life, including the origins of the Bowie knife and Bowie's fate at the Alamo. \*Includes pictures of Bowie and other important people and places in his life. \*Includes a Bibliography for further reading. "I'll wage they found no bullets in his back." - Jim Bowie's mother after hearing of his death at the Alamo. A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Jim Bowie is one of 19th century America's most famous names, even if what's known about the man is more legend than fact. Like Daniel Boone and Davy Crockett, Bowie has come to represent the pioneering spirit of the frontier, along with the masculinity, machismo and swagger that earned him a reputation for fighting. And like any good legend, he is perhaps best remembered for his death at the Alamo than for any aspect of his life. Bowie's death and the defenders' defeat at the Alamo did not have a decisive impact on Texas' War for Independence, but it became a poignant rallying cry in the immediate aftermath of the battle, and to this day Americans associate it with patriotism, bravery and determination. “Remember the Alamo” is still a widely used part of the English lexicon today, and the Alamo is a cherished piece of Americana. Much of Bowie's participation in the Alamo is still controversial, and fittingly he was known across America before that for another controversy. In what became known as the notorious Sandbar Fight of 1827, a duel between two men turned into a large fight that included Bowie, who was shot and stabbed during the melee but still managed to stab to death the sheriff of Rapides Parish in Louisiana with a large knife that has since become universally known as the Bowie knife. Between that fight and his death, Bowie became one of the Western frontier's most celebrated folk heroes. American Legends: The Life of Jim Bowie chronicles the life, myths and legends of the frontier folk hero, examining the known and unknown in an attempt to separate fact from fiction. Along with pictures of important people and places, you will learn about Bowie like you never have before, in no time at all.

A meal in the dining car was often the highlight of any train trip. Gordon Mooneyhan, a lifelong railroad enthusiast, as well as an accomplished amateur chef, has captured the essence of those bygone days in the Atlantic Coast Line Dining Car Cookbook. The "Coast Line" was one of the railroads that actually maintained a cookbook. Still, the copies that were in archives were not complete. Gordon was able to search libraries and other sources to find many of the missing recipes, although some, such as "Coast Line Dressing" have been lost to time. In those instances, Gordon has "recreated" the recipes, based on descriptions of the original, and they are noted as such in the book. Also included is a history of "Hitching Post Foods." Hitching Post Dressing and Mint Syrup were used on the ACL dining cars, and recipes for those items have been recreated here. Take a step back in time and enjoy meals from an era when life was simpler, less hectic, and when getting there was half the fun!

In a job like this, there's no retirement plan Kat Redding's life is dangerous enough when she's hunting the rogue vampires who prey on Pureblood humans. But now that Kat is thinking of getting out of the killing business, she's faced with a slew of new problems. Like the demon Beligral, who offers help at an escalating cost, and the werewolf cult with whom she's entwined professionally and personally. And then there's Countess Baset--the terrifying vampire who wants Kat to become her personal assassin. It's no wonder that Kat has been seeking refuge in the mysterious town known as Delai, a place where she can shed her Lady Death persona and live a life that's as close to normal as she's ever known. But even in this haven, something feels askew. Delai is a little too serene. And the more she discovers, the more Kat realizes that the only choice left to her is not whether to do battle, but which side she'll risk her life to defend. . . Praise for E.S. Moore's To Walk the Night "Fans of Underworld will not want to miss this fast-paced, action-packed debut!" --Jess Haines, author of Deceived by the Others "Kat is a complex, compelling character who takes us on a wild ride.
