indispensable article of clothing for several centuries in Europe, evolving as fashion trends have changed. Women, as well as some men, have used it to change the appearance of their bodies. The corset first became popular in sixteenth-century Europe, reaching the zenith of its popularity in the Victorian era. While the corset has typically been worn as an undergarment, it has occasionally been used as an outer-garment; corsets as outer-garments can be seen in the national

# Acces PDF The Corset A Cultural History

The Corset: a Cultural history is, as the title suggests, about corsets, their development, their history, and their place IN history. Unfortunately, Steele is forced to spend most of the book disproving the myth that corsets are torture devices or unhealthy to wear. Turns out most of the evidence for tight-lacing in the late Victorian era?

## **The Corset: A Cultural History by Valerie Steele: Fashion ...**

The corset - a garment with a rigid, boned bodice that is laced together in order to shape the torso - has a controversial history. Long derided as a patriarchal instrument of torture that deformed the female body, historians now argue that that there was no one experience of wearing a corset, and that some women may even have found them positive.
