Find out all about Rastafari culture, and what it means to follow Jah Rastafari, Emperor Haile Selassie I, according to the Rastamans way of life.

The classic work on the history and beliefs of the Rastafarians, whose roots of protest go back to the seventeenth-century maroon societies of escaped slaves in Jamaica. Based on an extensive study of the Rastafarians, their history, their ideology, and their influence in Jamaica, *The Rastafarians* is an important contribution to the sociology of religion and to our knowledge of the variety of religious expressions that have grown up during the West African Diaspora in the Western Hemisphere. From the Trade Paperback edition.

This history of the theology and rituals of Rastafarianism features accents of the reggae rhythms of Bob Marley and the teachings and philosophy of Marcus Garvey, the black nationalist who motivated many of his fellow Jamaicans to embrace their African ancestral roots. Written by a trained theologian who was raised in the Jamaican village in which the Rastafarian faith originated, the book offers both a serious inquiry into the movement and the perspective of an insider in conversation with elders of the faith who still live in the village. Marley, who died in 1981, is the best known and one of the most articulate exponents of the themes of race consciousness that provide the core of Rasta hermeneutics. The poet and musician also made the faith appealing to the Jamaican middle class, which had turned away from the "Back to Africa" message that Garvey delivered in the 1930s. Noel Leo Erskine isolates and defines the main tenets of Rastafarianism, which emerged toward the end of the 20th century as a way of life and as a new international religion. He includes biographical descriptions of the key players in the development of Rastafari theology, provides details of its organization and ethos, and discusses the role of women in the religion. He also discusses the significance of Ethiopia to the faith; practitioners view that country both as their homeland and as heaven on earth. Examining the religion's relationship to Christianity, Erskine relates the Rastas to 19th-century Native Baptist and Revivalist traditions on the island and to the black theology movement in the United States. The Rastas see the European and North American churches as representatives of an oppressive colonial class, he writes. The Rastafarian name for God--"Jah"--is derived from Yahveh, the God of the Hebrews, and members of the faith connect their struggle for dignity and solidarity in Jamaican society with the struggle of the oppressed Israelites. "Jah" and not the Bible is the decisive source of morality and truth for the Rastas. Clearly written, sympathetic, and at times critical, the book will be important in the fields of African, African American, and Caribbean studies, especially to the cultural and religious dimensions in each discipline.

A foundational work for the Rastafarian movement in which Shepherd Robert Athlyi Rogers celebrates Ethiopians as the chosen people, guides Africans in self-reliance and self-determination, and proclaims Marcus Garvey as a savior of the children of Ethiopia.

Shares the spiritual wisdom of Rastafari through the stories, teachings, and traditions of practicing Rastas in Jamaica ☐ Includes the author's interviews with bush doctors, healers, and Rastafarians gathered during his 15 years of living in Jamaica ☐ Reveals the old ways of the Rastafarians and how their beliefs form an unbroken lineage tracing back to King Solomon ☐ Explains the connection of Rasta beliefs to important biblical passages Tracing their lineage back to King Solomon--the wisest man who ever lived--Rastafarians follow a spiritual tradition of peace and meditation that is more a way of life than an organized religion. During his 15 years living in Jamaica, Gerald Hausman developed deep friendships with Rastafarians and rootsmen, enabling him to experience firsthand the beliefs and traditions of these followers of the Kebra Nagast--the African gospel excised from the King James version of the Bible. He met bush doctors, Rasta preachers, members of the Marley family, and respected elders who knew Marcus Garvey, prophet of the Rasta movement and vocal proponent of the Pan-African movement in America. He also met elders who were present when Haile Selassie I, Emperor of Ethiopia and descendant of the House of David, came to Jamaica in the 1960s. Through interviews with fishermen, mystics, and wise men, as well as direct encounters with spirits and the spiritual, the author reveals the deep wisdom that underlies the "old ways" of the Rastas. He connects their stories, lives, and teachings with important biblical passages as well as reggae songs. He shares their views on the medicinal and meditative powers of cannabis--the sacred herb of Solomon--and explains that while Rastas believe it to be "the opener of the door," they maintain that peace and understanding must be found within. Illustrating the unwavering faith and hope of the Rastafari of Jamaica, Hausman shows them to be a people who, above all, emphasize equality, because the Holy Spirit within each of us makes us all one and the same.

This anthology explores Rastafari religion, culture, and politics in Jamaica and other parts of the African diaspora. An Afro-Caribbean religious and cultural movement that sprang from the streets of Kingston, Jamaica, in the 1930s, today Rastafari has close to one million adherents. The basic message of Rastafari--the dismantling of all oppressive institutions and the liberation of humankind--even has strong appeal to non-believers who are captivated by reggae music, the lyrics, and the "immortal spirit" of its enormously popular practitioner, Bob Marley. Probing into Rastafari's still evolving belief system, political goals, and cultural expression, the contributors to this volume emphasize the importance of African history and the Caribbean context. Author note:Nathaniel Samuel Murrellis Assistant Professor of Philosophy and Religion at the University of North Carolina, Wilmington, and Visiting Professor at the Caribbean Graduate School of Theology in Kingston, Jamaica. William David Spencerserves as Pastor of Encouragement at Pilgrim Church in Beverly, MA, and was an Adjunct Professor of Theology at Gordon-
