Polish Lullaby (Live)Patrick Wilson \u0026 Dagmara Domi?czyk; Shereen Pimentel \u0026 Issac Powell; Josh Segarra **The Lullaby Of Polish Dagmara** As the head of public relations for media and entertainment conglomerate Waystar Royco, she is a steady rock among warring yachts in "Succession," which has its long-awaited season three premiere ...

Moving with her parents to the U.S. as a child, misfit Anna visits her grandmother in her native Poland at the age of 12 and forges an intense friendship with two girls with whom she shares perilous adventures that she scrutinizes years later in the aftermath of a scandalous murder. A first novel.

Arriving unexpectedly from China with two female companions in an early- twentieth-century California farming town, the long-lost wife of gambling parlor owner Richard Fong disrupts his illicit relationships with a pair of prostitutes and prompts a series of events that threatens the community's livelihood.

oSensual and seductive, Paris Was the Placepulls you in and doesn't let you go. Find your nearest chair and start reading. With her poet's eye, Conley has woven a vivid, masterful tale of love and its costs.o -Lily King, author of Father of the Rain When Willie Pears begins teaching at a center for immigrant girls who are all hoping for French asylum, she has no idea it will change her life. As she learns their stories, the lines between teaching and mothering quickly begin to blur. Willie has fled to Paris to create a new family for herself by reaching out to her beloved brother, Luke, and her straight-talking friend, Sara. She soon falls for Macon, a charming, passionate French lawyer, and her new family circle seems complete. But Gita, a young girl at the detention center, is determined to escape her circumstances, no matter the cost. And just as Willie is faced with a decision that could have potentially dire consequences for both her relationship with Macon and the future of the center, Luke is taken with a serious, as-yet-unnamed illness, forcing Willie to reconcile with her father and examine the lengths we will go to for the people we care the most about. In Paris Was the Place, Conley has given us a beautiful portrait of on how much it matters to belong- to a family, to a country, to any one place, and how this belonging can mean the difference in our survival. This is a profoundly moving portrait of some of the most complicated and glorious aspects of the human existence- love and sex and parenthood and the extraordinary bonds of brothers and sisters. It is a story that reaffirms the ties that bind us to one another.

In September 1984, a bomb was planted at the Grand Hotel in the seaside town of Brighton, England, set to explode in twenty-four days when the British prime minister and her entire cabinet would be staying there. "High Dive" not only takes us inside this audacious assassination attempt a decisive act of violence on the world stage but also imagines its way into a group of unforgettable characters. Nimbly weaving together fact and fiction, comedy and tragedy, the story switches among the perspectives of Dan, a young IRA explosives expert; Moose, a former star athlete gone to seed, who is now the deputy hotel manager; and Freya, his teenage daughter, trying to decide what comes after high school. Over the course of a mere four weeks, as the prime minister's arrival draws closer, each of their lives will be transformed forever.

When I felt truly lost—which was most of the time—I went out to the narrow lot and sat down in the weeds. From there I could observe both houses. After all, I had two eyes, didn't I? Two nostrils, two arms, two knobby knees. The trouble was, I had only one heart. Growing up in False River, Mississippi, Clea Shine learned early that a small town is no place for big secrets. Having fled years ago in the wake of a tragedy and now settled with a family of her own, she faces a turning point in her marriage and seeks refuge in the one place she vowed never to return. Clea's homecoming is bittersweet. Reunited with Jerusha Lovemore, the kindly neighbor who raised her, Clea gains a sense of love and comfort, but still cannot escape the ghosts of her past: the abandonment by her disreputable mother, her constant search for belonging, the truth behind that fateful night from long ago. Once outspoken and impulsive, Clea now seeks only redemption and peace of mind. And as a hurricane threatens to hit False River, everything she has tried to forget may finally be exposed once and for all. A mesmerizing and poignant work by a master of the Southern novel, *Playing with Matches* is a stunning tale of guilt, forgiveness, and the enduring bonds of family.

"A fierce, big-hearted, unflinching debut"* novel about mothers and daughters, haves and have-nots, and the stark realities behind the American Dream *Celeste Ng, author of Little Fires Everywhere NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE A waitress at the Betsy Ross Diner, Elsie hopes her nickel-and-dime tips will add up to a new life. Then she meets Bashkim, who is at once both worldly and naïve, a married man who left Albania to chase his dreams--and wound up working as a line cook in Waterbury, Connecticut. Back when the brass mills were still open, this bustling factory town drew one wave of immigrants after another. Now it's the place they can't seem to leave. Elsie, herself the granddaughter of Lithuanian immigrants, falls in love quickly, but when she learns that she's pregnant, Elsie can't help wondering where Bashkim's heart really lies, and what he'll do about the wife he left behind. Seventeen years later, headstrong and independent Luljeta receives a rejection letter from NYU and her first-ever suspension from school on the same day. Instead of striking out on her own in Manhattan, she's stuck in Connecticut with her mother, Elsie--a fate she refuses to accept. Wondering if the key to her future is unlocking the secrets of the past, Lulu decides to find out what exactly her mother has been hiding about the father she never knew. As she soon discovers, the truth is closer than she ever imagined. Told in equally gripping parallel narratives with biting wit and

grace, Brass announces a fearless new voice with a timely, tender, and quintessentially American story. Praise for Brass "Lustrous . . . a tale alive with humor and gumption, of the knotty, needy bond between a mother and daughter . . . [Brass] marks the arrival of a writer whose work will stand the test of time."--O: The Oprah Magazine "An exceptional debut novel, one that plumbs the notion of the American Dream while escaping the clichés that pursuit almost always brings with it . . . [Xhenet] Aliu delivers a living, breathing portrait of places left behind."--The Boston Globe "The writing blazes on the page. . . . So much about the book is also extraordinarily timely, especially when it focuses on class and culture, and what they really mean."--San Francisco Chronicle "Aliu is witty and unsparing in her depiction of the town and its inhabitants, illustrating the granular realities of the struggle for class mobility."--The New Yorker

The way journalist Gus Bailey tells it, old money is always preferred, but occasionally new money sneaks in--even where it is most unwelcome. After moving from Cincinnati, Elias and Ruby Renthal strike it even richer in New York, turning their millions into billions. It would be impolite for high society to refuse them now. Not to mention disadvantageous. As long as the market is strong, there's absolutely nothing to worry about--except for those nasty secrets from the past. Scandal, anyone...?

When Teagan's father abruptly abandons his family and his farm, Teagan finds herself wading through the wreckage of what was once an idyllic life, searching for something—or someone—to hold on to. What she finds is Ian, short for Obsidian: the magnificent but dangerously headstrong horse her father left behind. But even as she grows close to Ian, patiently training him, trying to overcome her fear of him, Teagan is learning that life and love are fragile. With an unflinching eye and remarkable restraint, Talley English tells a piercing story about how families hold together and fall apart; about loss and grief; about friendship; about the blunt cruelty of chance; and, finally, about forgiveness.

A Bookpage Best Books of 2012 pick The enchanting story of a midwestern girl who escapes a family tragedy and is remade as a movie star during Hollywood's golden age. In 1920, Elsa Emerson, the youngest and blondest of three sisters, is born in idyllic Door County, Wisconsin. Her family owns the Cherry County Playhouse, and more than anything, Elsa relishes appearing onstage, where she soaks up the approval of her father and the embrace of the audience. But when tragedy strikes her family, her acting becomes more than a child's game of pretend. While still in her teens, Elsa marries and flees to Los Angeles. There she is discovered by Irving Green, one of the most powerful executives in Hollywood, who refashions her as a serious, exotic brunette and renames her Laura Lamont. Irving becomes Laura's great love; she becomes an Academy Award-winning actress—and a genuine movie star. Laura experiences all the glamour and extravagance of the heady pinnacle of stardom in the studio-system era, but ultimately her story is a timeless one of a woman trying to balance career, family, and personal happiness, all while remaining true to herself. Ambitious and richly imagined, Laura Lamont's Life in Pictures is as intimate—and as bigger-than-life—as the great films of the golden age of Hollywood. Written with warmth and verve, it confirms Emma Straub's reputation as one of the most exciting new talents in fiction.

A powerful, poignant novel of family, friendship, and a summer that will change lives forever.-- book cover.
