A complete authoritative book on the life of Prophet Muhammad (S) by Sheikh Safi-ur-Rahman al-Mubarkpuri. It was honored by the World Muslim League as first prize winner book. Whoever wants to know the whole life style of the Prophet in detail must read this book.Muhammad (S) is the Messenger of Allah, and those who are with him, are severe against the disbelievers, and merciful among themselves. You see them bowing and falling down prostrate (in prayer), seeking bounty from Allah and (His) Good Pleasure. The mark of them (i.e. of their Faith) is on their faces (fore heads) from the traces of prostration (during prayers). This is their description in the Taurdt (Torah). But their description in the Injeel (Gospel) is like a (sown) seed which sends forth its shoot, then makes it strong, and becomes thick and it stands straight on its stem, delighting the sowers, that He may enrage the disbelievers with them. Allah has promised those among them who believe and do righteous good deeds, forgiveness and a mighty reward (Paradise). (Al-Fath: 29)The Prophet Muhammad (S) said: "The example of guidance and knowledge with which Allah has sent me is like abundant rain falling on the earth. Some of which was fertile soil that absorbed rain-water and brought forth vegetation and grass in abundance. (And) another portion of it was hard and held the rain-water and Allah benefited the people with it and they utilized it for drinking, (making their animals drink from it) and to irrigate the land for cultivation. (And) a portion of it was barren which could neither hold the water nor bring forth vegetation (then that land gave no benefits). The first is the example of the person who comprehends Allah's Religion (Islam) and gets benefit (from the knowledge) which Allah (Azawajal) has revealed through me (the Prophet) and learns and then teaches it to others. The (last example is that of a) person who does not care for it and does not take Allah's Guidance revealed through me (he is like that barren land)." (Al-Mukarramah)

Mentions the different aspects of Makkah, and records the important historical events that have direct effect on the establishment and sacredness of Makkah as well as its religious weight. Do you yearn to build a closer and more meaningful relationship with your Creator? Do you seek to know the true Message and Wisdom of Islam? The work I present here for your consumption is more than a book; a collection of words meant to deliver glad tidings, to educate, and to perhaps warn. It is a work driven by what I intend to be a sound and powerful Message.This message invites readers to think freely and broaden their minds; to contemplate and seek their own truth. This passage advises people, never to blindly follow any religion without first reflecting upon the faith in question and reasoning its true meaning. Beyond all manner of faith and feeling, one must use their intellect to discover the truth behind all faiths.This passage is intended to draw and empower the sincere seeker of truth; the one that questions, reflects and ponders his or her life's purpose and questions his/her future and direction. Islam, for example, is one faith that is misunderstood and misrepresented by many. Before one forms an opinion of Islam, one should question the thoroughness and truthfulness of his or her existing knowledge of this controversial religion.The ultimate purpose of this message is to facilitate a fresh new dimension of thinking that will enable one to realize the ultimate importance of his or her existence in this universe; to help one understand his/her divine relationship with his/her creator. The faith of Islam is beneficial only to people that are sincere in seeking guidance, misguiding those who are not sincere and honest in their spiritual quests; who reject divine guidance and spiritual truth.

The newest biography for children and young adults of the Holy Prophet Muhammad, designed to be read over the month of Ramadan.

Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.
