Like many reviewers on here, I was drawn to Annihilation because of the captivating movie trailer. Impatient for the movie, I decided to give Annihilation a read, feeling rather excited that it was part of a three-book trilogy. The first third of the book really did grab me. I was impressed by the concept of the book.

Area X: The Southern Reach Trilogy Annihilation, Authority ...

With Annihilation—the first volume of The Southern Reach Trilogy—he carefully creates a yearning for answers, then boldly denies them, reminding us that being too eager to know too much can be dangerous. The story follows an expedition of four women who are known only by their professions: the Psychologist, the Surveyor, the Anthropologist, and the Biologist—nameless pawns tasked with exploring, discovering, and (hopefully) delivering data about a portentous coastal territory called Area X.
