The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly

secularized, the rise of religious  
fundamentalism, whether in the Middle East  
or Middle America, is dramatically and  
dangerously dividing opinion around the  
world. In America, and elsewhere, a  
vigorous dispute between 'intelligent design'  
and Darwinism is seriously undermining  
and restricting the teaching of science. In

age twenty-one. He is known for both his breakthroughs in theoretical physics as well as his ability to make complex concepts accessible for all, and was beloved for his mischievous sense of humor. At the time of his death, Hawking was working on a final project: a book compiling his answers to the "big" questions that he was so often
