"Toward a True Kinship of Faiths" by the Dalai Lama is well worth the read regardless of your religious or non religious beliefs, and I cannot recommend it enough. In it, he lays out an argument for how we as humans can focus on our common ethic of compassion "Make the vow today that you shall never allow your faith to be used as an instrument of violence.

Toward a True Kinship of Faiths: How the World ' s Religions Can Come Together, by His Holiness the Fourteenth Dalai Lama. In this book the Dalai Lama champions the cause of interreligious understanding and harmony, a theme Vedantists will be familiar with.

REVIEW ARTICLE: Toward a True Kinship of Faiths | Vedanta ...

towards humans but also towards the earth and all living things. This can unite us, even as we continue to practise our own faiths. Toward a True Kinship of Faiths is an excellent account of an autobiographical journey into interfaith relationships and theology. As he moves among other faiths, Buddhism remains his grounding.

The Nobel Peace Prize-winning Tibetan spiritual leader assesses the modern world's polarization along religious lines while outlining a hopeful vision of kinship among faiths that recognizes both commonalities and differences. 125,000 first printing.

The Tibetan spiritual leader assesses the modern world's polarization along religious lines while outlining a hopeful vision of kinship among faiths that recognizes both commonalities and differences.

No country, no culture, no person today is untouched by what happens in the rest of the world, and globalization presents many challenges. The Dalai Lama understands that the essential task of humanity in the twenty-first century must be to cultivate peaceful coexistence. In this book the Dalai Lama shows how in our globalized world, nations, cultures and individuals can find opportunities to connect through their shared human nature. All faiths turn to compassion as a guiding principle for living a good life. It is the responsibility of all people with an aspiration to spiritual perfection to help develop a deep recognition of the value of other faiths, and it is on that basis alone that we can cultivate genuine respect and cooperation. Towards the True Kinship of Faiths is a hopeful yet realistic look at how humanity can embrace a harmonious future.

The Nobel Peace Prize and Albert Schweitzer Humanitarian Award-winning Buddhist leader provides a succinct overview of the basic techniques of spiritual development in Tibetan Buddhism, explaining how to transform difficult situations into opportunities for growth through various practices in mind training.

Their lives would be tempered by adversity, expanded by faith, polished by perseverance. Based on an actual 1852 Oregon Trail incident, All Together in One Place, Book One in the Kinship and Courage series, speaks to the strength in every woman and celebrates the promise of hope that unfailingly blooms amidst tragedy and challenge. For Madison "Mazy" Bacon, a young wife living in southern Wisconsin, the future appears every bit as promising as it is reassuringly predictable. A loving marriage, a well-organized home, the pleasure of planting an early spring garden--these are the carefully-tended dreams that sustain her heart and nourish her soul. But when her husband of two years sells the homestead and informs her that they are heading west, Mazy's life is ripped down the middle like a poorly mended sheet forgotten in a midwestern storm. Her love is tried, her boundaries stretched, and the fabric of her faith tested. At the same time, she and eleven extraordinary women are pulled toward an uncertain destiny--one that binds them together through reluctance and longing and into acceptance and renewal.

Imbued with a friendly tone and pithy wisdom, this handsome handbook to approaching life "in a better way" includes six of His Holiness The Dalai Lama's most accessible and inspirational public lectures. Following each talk are the original question-and-answer sessions in which His Holiness opens himself up to his listeners and now-to readers everywhere. His characteristically candid guidance on living fully and responsibly, especially at the start of a new millennium, focuses on specific themes that range from religious tolerance to compassion and nonviolence. The book also includes a practical and highly readable introduction to Buddhism and The Dalai Lama's own spiritual heritage, written by the renowned Lama Thubten Zopa Rinpoche.

"Positive Spirituality in Health Care" offers a fresh, holistic, and practical framework for the integration of spirituality in health care. Dr. Craigie proposes that excellent spiritual care arises from three arenas: the personal groundedness and spiritual well-being of clinicians, the clinical encouragement of patients' spiritual resources, and the organizational cultivation of spirited leadership and "soul." In an approachable and conversational tone, he presents case examples, interview transcripts, research perspectives, and pragmatic strategies that will enable readers to refine their skills in each of these three arenas. "Positive Spirituality in Health Care" will be a source of affirmation, refreshment, inspiration, and practical tools for all clinicians and health care leaders who are passionate about supporting patients' journeys toward healing and wholeness.

The Dalai Lama serves as a living symbol of holiness and selfless triumph over tribulation for people of all religious traditions--as well as those with no religious affiliation at all. This collection of daily quotations drawn from His Holiness's own writings, teachings, and interviews offers words of guidance, compassion, and peace that are as down to earth as they are rich in spirit. Suffused with endearing informality, warmth, and practicality, they cover almost every aspect of human life, secular and religious--from loneliness, suffering, anger, and everyday insecurities to happiness, intimacy, and responsibility to others. With a special foreword by His Holiness on the power of meditation and personal responsibility, The Path to Tranquility is a fresh and accessible spiritual treasure to return to day after day, year after year.

Don't miss His Holiness the Dalai Lama's classic book, The Art of Happiness, or his newest, The Book of Joy, named one of Oprah's Favorite Things. In a difficult, uncertain time, it takes a person of great courage, such as the Dalai Lama, to give us hope. Regardless of the violence

and cynicism we see on television and read about in the news, there is an argument to be made for basic human goodness. The number of people who spend their lives engaged in violence and dishonesty is tiny compared to the vast majority who would wish others only well. According to the Dalai Lama, our survival has depended and will continue to depend on our basic goodness. Ethics for the New Millennium presents a moral system based on universal rather than religious principles. Its ultimate goal is happiness for every individual, irrespective of religious beliefs. Though he himself a practicing Buddhist, the Dalai Lama's teachings and the moral compass that guides him can lead each and every one of us—Muslim, Christian, Jew, Buddhist, or atheist—to a happier, more fulfilling life.

Drawn from His Holiness the Dalai Lama's bestselling THE ART OF HAPPINESS, with Dr Howard C. Cutler, this little book contains simple advice on how to achieve lasting happiness in our everyday lives. Going straight to the heart of the matter, each page offers a gem of spiritual wisdom to enable us to defeat depression, anxiety, anger, jealousy - and the many and varied emotions that form a barrier to our happiness. Melding the knowledge of 2500 years of Buddhist meditations with modern Western psychology, THE ESSENCE OF HAPPINESS offers great spiritual balance and joy, and a source of profound wisdom that can be called upon anywhere, anytime.
