The Student Activities Manual contains workbook, lab, and video activities that provide important additional practice of topics in the text. The Workbook section, which parallels the organization of the units in the text, includes activities to reinforce the vocabulary and grammar learned in class as well as practice to help develop reading and writing skills. The Lab section contains a variety of listening activities for each unit to build comprehension of spoken Spanish. The Video section of the SAM provides pre- and post-viewing activities that correspond to each episode of the Caminos del jaguar video.

major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms.
