“ The sustained comedy in this hilarious novel is equaled only by its heart, and the myriad ways there are for it to break. I love this book. Michael Poore writes like an angel. ” —Daniel Wallace, author of Big Fish John Scratch, the Devil himself, is the protagonist in this stunningly imaginative, sharp, funny, and tender novel, as he tricks, teases, and prods America to greatness in the hope of luring his lost love back down to Earth from Heaven. Up Pops the Devil is fiction with humor and heart, the kind of hilarious, off-beat, and original reading experience that fans of Chris Moore, Joe Hill, Chuck Palahniuk, and Jim Shepard would sell their souls for—a brilliant blending of the occult and the outrageous starring the anti-hero of anti-heroes, the one and only Prince of Darkness.

Robert Johnson is the subject of the most famous myth about the blues: he allegedly sold his soul at the crossroads in exchange for his incredible talent, and this deal led to his death at age 27. But the actual story of his life remains unknown save for a few inaccurate anecdotes. Up Jumped the Devil is the result of over 50 years of research. Gayle Dean Wardlow has been interviewing people who knew Robert Johnson since the early 1960s, and he was the person who discovered Johnson's death certificate in 1967. Bruce Conforth began his study of Johnson's life and music in 1970 and made it his mission to fill in what was still unknown about him. In this definitive biography, the two authors relied on every interview, resource and document, most of it material no one has seen before. As a result, this book not only destroys every myth that ever surrounded Johnson, but also tells a human story of a real person. It is the first book about Johnson that documents his years in Memphis, details his trip to New York, uncovers where and when his wife Virginia died and the impact this had on him, fully portrays the other women Johnson was involved with, and tells exactly how and why he died and who gave him the poison that killed him. Up Jumped the Devil will astonish blues fans who thought they knew something about Johnson.

A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. “ Tales of gods and men akin to Neil Gaiman ’ s Sandman as penned by a kindred spirit of Douglas Adams. ” —Kirkus Reviews (starred review) First we live. Then we die. And then . . . we get another try? Ten thousand tries, to be exact. Ten thousand lives to “ get it right. ” Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and has just five more lives to earn a place in the cosmic soul. If he doesn ’ t make the cut, oblivion awaits. But all

## Download Free Up Jumps The Devil Michael Poore

Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo ' s lover throughout his countless layovers in the Afterlife, Suzie is literally his reason for living—as he dives into one new existence after another, praying for the day he ' ll never have to leave her side again. But Reincarnation Blues is more than a great love story: Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle—if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut ' s, Michael Poore ' s Reincarnation Blues is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it ' s more than Milo and Suzie ' s story. It ' s your story, too. Praise for Reincarnation Blues “ The most fun you ' ll have reading about a man who has been killed by both catapult and car accident. ” —NPR “ This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life. ” —Chicago Review of Books “ Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun. ” —New York Journal of Books

"A gripping and unsettling new novel by the award-winning author of *The Loney* that asks how much we owe to tradition, and how far we will go to preserve it"--

Combine the thought-provoking time travel of *When You Reach Me* with the humorous storytelling of Lemony Snicket, and you get a wholly original journey through time, space, and the depths of the human heart. This is a story of things that are not possible. It's not possible for Amy to see spirits. (She does.) It's not possible that Amy and Moo can communicate using only their minds. (They do.) It's not possible to time-travel. (Yet.) And it's definitely not possible that witches exist. (Seriously?) None of these things are possible. (Until now . . .)

Skip James (1902 – 1969) was perhaps the most creative and idiosyncratic of all blues musicians. Drawing on hundreds of hours of conversations with James himself, Stephen Calt here paints a dark and unforgettable portrait of a man untroubled by his own murderous inclinations, a man who achieved one moment of transcendent greatness in a life haunted by failure. And in doing so, Calt offers new insights into the nature of the blues, the world in which it thrived, and its fate when that world vanished.

“ [An] amazing thriller . . . [Richard] Hawke ' s dialogue is sharp and snappy and the plot moves with all the energy of New York City. ” —Cleveland Plain Dealer  
A child of Hell ' s Kitchen and the bastard son of a beloved former police commissioner, Fritz Malone is all too familiar with New York City ' s rougher side. So when a gunman opens fire at the crowded Thanksgiving Day parade, Fritz steps into action, giving chase. He then learns that someone dubbed “ Nightmare ” has been taunting the city ' s leaders for weeks—and there ' s more carnage to come, unless the city meets the madman ' s impossible demands. The nervous police need an outside man, and Fritz fits the bill. Racing furiously against time, Fritz finds himself confounded by Nightmare ' s multiple masks and messengers. But the dark story behind the story soon begins to emerge, and when Fritz zeroes in on the terrible truth, the killer retaliates by making things personal. Now Fritz must grapple with his deepest fear: Sometimes nightmares really do come true. Praise for *Speak of the Devil* “ Hawke razzle-dazzles us with . . . bada-bing narration and quirky, well-drawn characters. ” —The Boston Globe “ [Packed] with a breathless pace and hairpin turns. ” —South Florida Sun Sentinel “ Fast-moving, first-rate . . . Hawke ' s plot grabs us by the throat. . . . He keeps the suspense mounting. ” —The Washington Post Book World “ Solidly entertaining . . . Hawke makes a big splash on the thriller scene with his debut novel. ” —The Philadelphia Inquirer “ [*Speak of the Devil*] tours the city with unusual streetwise panache . . . but this isn ' t a book that coasts on its urban geography. It lives by its wits, and its wits would work anywhere. ” —The New York Times “ A bang-bang thriller . . . We are absolutely powerless to stop reading. ” —Chicago Tribune “ [A] deftly paced debut that crackles and pops from page

1. " —Booklist (starred review) " Thrill-a-minute pacing and inspired plot twists. " —Newsday " A rare combination of intrigue and intensity. " —Michael Connelly

You know the names and the stories, but you've never seen them like this before! My Name Was Never Frankenstein: And Other Classic Adventure Tales Reanimated brings your favorite characters back to life in new and exciting escapades. In this inventive collection, a stellar cast of writers uses classic adventure tales as a launch pad for an eclectic mix of prequels, alternate universes, spin-offs, and total reboots. Imagine Ahab is shipwrecked on an island of cannibals, or Mr. Hyde tells his side of the story, or the scarecrow from Oz struggles with the mystery of his existence. By turns wry and haunting, My Name Was Never Frankenstein upends old territory and classic characters to reclaim them for a new generation.

Several restaurant workers are murdered by a robber, whose brother is killed by police during the chaotic event. As everyone struggles to heal after the incident, the gunman is determined to kill everyone involved in his brother's death.

"Nick Hornby meets Chuck Palahniuk in this powerful, provocative, and heartfelt epistolary novel from New York Times bestselling and award-winning author J. Michael Straczynski. Life has other plans for a group of strangers who want to end it all on a cross-country road trip, but then bond in ways they never could have imagined"--
